Any such sale (including notice thereof) shall comply with the applicable requirements, at the time of the sale, of Section 51.002 of the Texas Property Code or, if and to the extent such statute is not then in force, with the applicable requirements, at the time of the sale, of the successor statute or statutes, if any, governing sales of Texas real property under powers of sale conferred by deeds of trust, and shall take place in the county wherein the Mortgaged Property is situated; provided that, if the Mortgaged Property is situated in (or on the outer continental shelf adjacent to) more than one county, such sales of the Mortgaged Property, or part thereof, may be made in any county wherein any part of the Mortgaged Property (of adjacent to which any Mortgaged Property on the outer continental shelf) is situated. If there is no statute in force at the time of the sale governing sales of Texas real property under powers of sale conferred by deeds of trust, such sale shall comply with applicable law, at the time of the sale, governing sales of Texas real property under powers of sale conferred by deeds of trust, as Trustee or Beneficiary may deem appropriate. After such sale, Trustee shall make to the purchaser or purchasers thereunder good and sufficient deeds, assignments or bills of sale in the name of Grantor, conveying or transferring the Mortgaged Property, or any part thereof, so sold to the purchaser or purchasers containing such warranties of title as are customarily given, which warranties shall be binding upon Grantor.

To the extent permitted by applicable law, the sale of a part of the Mortgaged Property shall not exhaust the power of sale herein granted or the right to judicial foreclosure, and sale or sales may be made from time to time until the Obligations are paid and performed in full. It shall not be necessary to have present or to exhibit at any such sale any of the Personal Property. In addition to the Rights and other powers of sale granted under the preceding provisions of this Section 3.2(c), if Default is made in the payment of any installment of the Obligations, Beneficiary may, subject to, and in accordance with, the applicable provisions of the Loan Agreement, at its option, at once or at any time thereafter while any matured installment remains unpaid, without declaring the entire Obligations to be due and payable, orally or in writing, enforce, or direct Trustee to enforce (as provided by applicable law), the Liens created by this instrument and sell the Mortgaged Property subject to such matured indebtedness and the Liens securing its payment, in the same manner, on the same terms, at the same place and time and after having given notice in the same manner, all as provided in the preceding provisions of this Section 3.2(c). After such sale, Beneficiary or Trustee (as provided by applicable law) shall make due conveyance to the purchaser or purchasers. Sales made without maturing the Obligations may be made hereunder whenever there is a Default in the payment of any installment of the Obligations without exhausting the power of sale granted hereby and without affecting in any way the power of sale granted under this Section 3.2(c), the unmatured balance of the Obligations (except as to any proceeds of any sale which Beneficiary may apply as prepayment of the Obligations), or the Liens securing payment of the Obligations. or more successive sales under such power until the whole of the Mortgaged Property shall be sold. It is intended by each of the foregoing provisions of this Section 3.2(c) that Beneficiary may, or if applicable, Trustee may, after any request or direction by Beneficiary, sell not only the Oil and Gas Properties but also all other items constituting a part of the Mortgaged Property along with the Oil and Gas Properties, or any part thereof, all as a unit and as a part of a single sale, or may sell any part of the Mortgaged Property separately from the remainder of the Mortgaged Property. If the proceeds of such sale or sales of less than the whole of such Mortgaged Property shall be less than the aggregate of the Obligations and the expense of enforcing the trust created by this instrument, the Liens of this instrument shall remain in full force and effect as to the unsold portion of the Mortgaged Property just as though no sale or sales of less than the whole of the Mortgaged Property had occurred, but Beneficiary shall have the right, to sell, or as applicable, request Trustee to sell, less than the whole of the Mortgaged Property. In the event any questions should be raised as to the regularity or validity of any sale hereunder, Beneficiary or Trustee (as provided by applicable law) shall have the right and is hereby authorized to make resale of said property so as to remove any questions or doubt as to the regularity or validity of the previous sale, and as many resales maybe made as it may deem appropriate. It is agreed that, in any deed or deeds given by Beneficiary or Trustee (as provided by applicable law), any and all statements offset or other recitals therein made as to the identity of Beneficiary, or as to the occurrence or existence of any Default, or as to the request to sell, notice of sale, time, place, terms, and manner of sale, and receipt, distribution, and application of the money realized therefrom, or as to the due and proper appointment of a substitute Trustee, and, without being limited by the foregoing, as to any other act or thing having been duly done by Beneficiary or by Trustee, shall be taken by all tribunals as prima facie evidence that the said statements or recitals are true and correct and are without further question to be so accepted, and Grantor does hereby ratify and confirm any and all acts that Trustee may lawfully do in the premises by virtue hereof. In the event of the resignation or death of Trustee, or Trustee's removal from Trustee's county of residence stated on the first page hereof, or Trustee's failure, refusal, or inability, for any reason, to make any such sale or to perform any of the trusts herein declared, or, at the option of Beneficiary, without cause, Beneficiary may appoint, in writing, a substitute trustee, who shall thereupon succeed to all the estates, titles, rights, powers, and trusts herein granted to and vest in Trustee. If Beneficiary is a national banking association or a corporation, such appointment may be made on behalf of such Beneficiary by any person who is then the president, or any vice-president, or the secretary, or any other authorized officer or agent of Beneficiary. In the event of the resignation or death of any such substitute trustee, or Trustee's failure, refusal, or inability to make such sale or perform such trusts, or, at the option, of Beneficiary, without cause, Beneficiary may appoint successive substitute trustees from time to time in the same manner. Wherever herein the word "Trustee" is used, the same shall mean the person who is the duly appointed Trustee or substitute Trustee hereunder at the time in question.

(d) Beneficiary may, or Trustee may upon written request of Beneficiary, in lieu of or in addition to exercising the power of sale provided for in Section 3.2(c) hereof; proceed by suit or suits, at law or in equity, to enforce the payment and performance of the Obligations in accordance, with the terms hereof, and of the other Loan Papers evidencing it, to foreclose the Liens and this instrument as against all, or any part of the Mortgaged Property, and to have all or any part of the Mortgaged Property sold under the judgment or decree of a court of competent jurisdiction.

The Grantor hereby appoints the Beneficiary as its attorney-in-fact, with full power and authority to do and perform any and every act and thing whatsoever to pursue any and all rights of the Grantor to Liens on and security interests in the Hydrocarbons securing payment of proceeds of runs attributable to the Hydrocarbons. 5.3. Any and all covenants in this instrument may from time to time, by instrument in writing signed by Beneficiary and delivered to Grantor, be waived to such extent and in such manner as Beneficiary may desire, but no such waiver shall ever affect or impair Beneficiary's Rights or Liens hereunder, except to the extent specifically stated in such written instrument. Impossibility shall not excuse the performance of any agreement, covenant or condition contained in this instrument.

5.4. If Grantor conveys any interest in the Mortgaged Property, or any part thereof becomes vested in any other party, Beneficiary may, without notice to Grantor deal with any successor owner or owners of any part of the Mortgaged Property with reference to this Deed of Trust and the Obligations in the same manner as with Grantor without in any way vitiating or

discharging Grantor's liability hereunder or for the payment of the indebtedness or performance of the Obligations secured hereby. No transfer of the Mortgaged Property, no forbearance, and no extension of the time for the payment of the indebtedness secured hereby, shall operate to release, discharge, modify, change or affect, in whole or in part, Beneficiary's Rights and Liens hereunder, or the liability of Grantor for the payment of the indebtedness or performance of the Obligations secured hereby, or the liability of any other person hereunder or for the payment of the indebtedness secured hereby.

5.5. Beneficiary shall be entitled to receive any and all monies which may be awarded or become payable to Grantor for the condemnation, eminent domain or other similar proceeding of the Mortgaged Property, or any part thereof, for public or quasi-public use, or by virtue of private sale in lieu thereof, and any monies which may be awarded or become payable to Grantor for damages caused by public works or construction on or near the Mortgaged Property. All such monies are hereby assigned to Beneficiary and shall be applied by Trustee, or by Beneficiary, as the case may be, pursuant to Section 3.6 hereof. Grantor shall, upon request of Beneficiary, make, execute, acknowledge and deliver any and all additional assignments and documents as may be necessary from time to time to enable Beneficiary to, collect and receipt for any such monies. Beneficiary shall not be, under any circumstances, liable or responsible for failure to collect, or exercise diligence in the collection of, any of such monies.

5.6. It is understood and agreed that the proceeds of the Note or any further loans or advances, to the extent the same are utilized to renew or extend any indebtedness or take up any outstanding Liens against the Mortgaged Property, or any portion thereof, have been advanced by Beneficiary at Grantor's request and upon Grantor's representation that such amounts are due and payable. Beneficiary shall be subrogated to any and all Rights and Liens owned or claimed by any owner or holder of such outstanding Rights and Liens, however remote, regardless of whether such Rights and Liens are acquired by assignment or are released by the holder thereof upon payment.

5.7. In those instances where provision is made in this instrument to the effect that costs and expenses incurred or advances made by Beneficiary or Trustee shall constitute a demand obligation owing by Grantor and shall draw interest, and shall be secured by the Liens evidenced by this instrument, it is agreed that if no demand is made before the final maturity of the Note, then the maturity of such items shall be contemporaneous with the maturity of the Note, howsoever such maturity may occur.

5.8. If all or any portion of the proceeds of the loan evidenced by the Note or any future loans or advances have been advanced for the purpose of paying the purchase price for all or a part of the Mortgaged Property, then (a) Beneficiary shall have, and is hereby granted, a vendor's lien on the Mortgaged Property to further secure the Obligations, and (b) Beneficiary shall be subrogated to all Rights and Liens owned or claimed by the holder of any indebtedness which has been directly or indirectly discharged or paid from the proceeds of the loans evidenced by the Note or any future loans or advances.

5.9. Whenever herein the singular number is used, the same shall include the plural where appropriate, and vice versa; and words of any gender herein shall include each other gender where appropriate.

5.10. The captions, headings and arrangements used in this instrument are for convenience only and do not in any way affect, limit, amplify or modify the terms and provisions hereof.

5.11. If any provision of this instrument, or of the other Loan Papers, is held to be illegal, invalid, or unenforceable under present or future laws effective during the term hereof and thereof, such provision shall be fully severable from all other provisions in this instrument and the other Loan Papers, and this instrument and the other Loan Papers shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part thereof, and the remaining provisions hereof and thereof shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance therefrom. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this instrument and the other Loan Papers a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible. If any of the Liens evidenced by this instrument and the other Loan Papers are invalid or unenforceable as to any part of the Obligations, or if the Liens are invalid or unenforceable as to any part of the Mortgaged Property, the unsecured or partially secured portion of the Obligations shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the Obligations, and all payments made on the Obligations, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of the Obligations which is not secured or fully secured by the Liens evidenced by this instrument.

5.12. **THIS INSTRUMENT IS INTENDED TO BE PERFORMED IN EACH STATE (OR, AS APPLICABLE, THE PORTIONS OF THE OUTER CONTINENTAL SHELF) WHERE THE MORTGAGED PROPERTY IS LOCATED. HOWEVER, ANYTHING IN THIS INSTRUMENT TO THE CONTRARY NOTWITHSTANDING, THE SUBSTANTIVE LAWS OF THE STATE OF TEXAS AND THE UNITED STATES OF AMERICA RELATING TO THE VALIDITY, CONSTRUCTION, AND INTERPRETATION OF THE OBLIGATIONS AND TO USURY AND PERMISSIBLE INTEREST AND SIMILAR CHARGES AND AMOUNTS SHALL GOVERN ALL ASPECTS OF THIS INSTRUMENT.**

5.13. The terms, provisions, covenants and conditions hereof shall be binding upon Grantor and Grantor's successors in title and assigns and shall inure to the benefit of Beneficiary and Trustee, and their respective successors in title and assigns.

5.14. This instrument may be construed and enforced from time to time as a mortgage, deed of trust, chattel mortgage, conveyance, assignment, security agreement, pledge, financing statement, hypothecation or contract, or any one or more of them as may be appropriate under applicable laws, in order fully to effectuate the Liens hereof and the purposes and agreements, herein set forth.

5.15. gas) included in the Mortgaged Property and the accounts resulting from the sale thereof will be financed at the wellhead(s) or minehead(s) located on the property described on Exhibit A or to which reference is made herein; and (c) this instrument is to be filed of record in the real estate records (and, if any Mortgaged Property is located on the outer continental shelf, with the Bureau of Ocean Energy Management) as a financing statement covering as-extracted collateral and fixtures. A carbon, photographic or other reproduction of this instrument shall be sufficient as a financing statement.

5.16. Executed original counterparts of this instrument are to be filed for record in the records of the jurisdictions wherein the Mortgaged Property is situated (and, if any Oil and Gas Property is located on the outer continental shelf, with the Bureau of Ocean Energy Management and in the real property records of any adjacent Texas county), and may have annexed thereto as Exhibit A only the portions or divisions containing specific descriptions of the Mortgaged Property relating to the Oil and Gas Properties located in such jurisdictions. Whenever a recorded counterpart of this instrument contains specific descriptions which are less than all of the descriptions contained in any full counterpart lodged with Beneficiary, the omitted descriptions are hereby included by reference in such recorded counterpart as if each recorded counterpart conformed to any full counterpart lodged with Beneficiary.

5.17. This instrument has been executed in a number of identical counterparts, each of which shall be deemed an original, and all of which are identical, except that in order to facilitate recordation, portions of Exhibit A hereto which describe Mortgaged Property situated in jurisdictions other than the particular jurisdiction in or for which a counterpart hereof is being recorded may be omitted from such counterpart. In making proof of this instrument, it shall not be necessary for Trustee or Beneficiary to account for all counterparts, and it shall be sufficient for Trustee or Beneficiary to produce but one such counterpart.

5.18. All of the Obligations (and all proceeds payable to the Beneficiary under Section 4 above) which may be owing hereunder at any time by the Grantor shall be payable at the place designated in the Loan Agreement (or if no such designation is made, at the address of the Beneficiary), or at such other place as the Beneficiary may designate in writing.

5.19. Grantor shall have the right, and is hereby authorized, to pool or unitize all or any part of any tract of land described or referenced in Exhibit A or in any Oil and Gas Property, insofar as its relates to the Mortgaged Property, with adjacent lands, leaseholds and other interests, when, in the reasonable judgment of Grantor, it is necessary or advisable to do so in order to form a drilling or production unit to facilitate the orderly development of that part of the Mortgaged Property affected thereby, or to comply with the requirements of any law or governmental order or regulation relating to the spacing of wells or proration of the production therefrom; provided, however, that any unit so formed for the production of oil shall not substantially exceed 160 acres, and any unit so formed for the production of gas shall not substantially exceed 640 acres, unless a larger area is required to conform to an applicable law or governmental order or regulation relating to the spacing of wells or to obtain the maximum allowable production under any applicable law or governmental order or regulation relating to the proration of production therefrom; and further provided that the Hydrocarbons produced from any unit so formed shall be allocated among the separately owned tracts or interests comprising the unit in a uniform manner consistently applied. Any unit so formed may relate to

one or more zones or horizons, and a unit formed for a particular zone or horizon need not conform in area to any other unit relating to a different zone or horizon, and a unit formed for the production of oil need not conform in area with any unit formed for the production of gas. Promptly after formation of any such unit, Grantor shall furnish to the Beneficiary a true copy of the pooling agreement, declaration of pooling or other instrument creating such unit, in such number of counterparts as the Beneficiary may reasonably request. The interest in any such unit attributable to the Mortgaged Property (or any part thereof) included therein shall become a part of the Mortgaged Property and shall be subject to the lien hereof in the same manner and with the same effect as though such unit and the interest of Grantor therein were specifically described in Exhibit A. Grantor may enter into pooling or unitization agreements not hereinabove authorized only with the prior written consent of the Beneficiary.

5.20 The Trustee may resign in writing addressed to Beneficiary or be removed at any time with or without cause by an instrument in writing duly executed by Beneficiary. In case of the death, resignation or removal of the Trustee, a successor Trustee may be appointed by Beneficiary by instrument of substitution complying with any applicable requirements of law, and in the absence of any requirement, without other formality other than an appointment and designation in writing. The appointment and designation will vest in the named successor Trustee all the estate and title of the Trustee in all of the Mortgaged Property and Collateral and all of the rights, powers, privileges, immunities and duties hereby conferred upon the Trustee. All references herein to the Trustee will be deemed to refer to any successor Trustee from time to time acting hereunder.

5.21 **THE TRUSTEE SHALL NOT BE LIABLE FOR ANY ERROR OF JUDGMENT OR ACT DONE BY TRUSTEE IN GOOD FAITH, OR BE OTHERWISE RESPONSIBLE OR ACCOUNTABLE UNDER ANY CIRCUMSTANCES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, THE TRUSTEE'S NEGLIGENCE), EXCEPT FOR TRUSTEE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** The Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by the Trustee hereunder, believed by the Trustee in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law), and Trustee shall be under no liability for interest on any moneys received by him hereunder. Grantor hereby ratifies and confirms any and all acts that the herein named Trustee or its successor or successors, substitute or substitutes, shall do lawfully by virtue hereof. **GRANTOR WILL REIMBURSE TRUSTEE FOR, AND INDEMNIFY AND SAVE TRUSTEE HARMLESS AGAINST, ANY AND ALL LIABILITY AND EXPENSES (INCLUDING ATTORNEYS' FEES) THAT MAY BE INCURRED BY TRUSTEE IN THE PERFORMANCE OF HIS DUTIES.** The foregoing indemnities shall not terminate upon the release, foreclosure or other termination of this Deed of Trust but will survive the release or foreclosure of this Deed of Trust or conveyance in lieu of foreclosure, and the repayment of the secured indebtedness and the discharge and release of this Deed of Trust and the other documents evidencing and/or securing the secured indebtedness. Any amount to be paid hereunder by Grantor to Trustee shall be a demand obligation owing by Grantor to Trustee.

5.22 All notices, requests, consents, demands and other communications required or permitted hereunder shall be in writing and shall be deemed sufficiently given or furnished if delivered by personal delivery, by telecopy or telex, by delivery service with proof of delivery, or by registered or certified United States mail, postage prepaid, at the addresses specified herein (unless changed by similar notice in writing given by the particular party whose address is to be changed). Any such notice or communication shall be deemed to have been given (a) in the case of personal delivery or delivery service, as of the date of first attempted delivery during normal business hours at the address provided herein, (b) in the case of telecopy or telex, upon receipt, and (c) in the case of registered or certified United States mail, three (3) days after deposit in the mail. Notwithstanding the foregoing, or anything else in the Loan Papers that may appear to the contrary, any notice given in connection with a foreclosure of the liens and/or security interests created hereunder, or otherwise in connection with the exercise by Beneficiary or Trustee of their respective rights hereunder or under any other Loan Paper, that is given in a manner permitted by applicable law shall constitute proper notice; without limitation of the foregoing, notice given in a form required or permitted by statute shall (as to the portion of the Mortgaged Property to which such statute is applicable) constitute proper notice.

5.23 Any default may be waived without waiving any other prior or subsequent default. Any default may be remedied without waiving the default remedied. Neither failure to exercise, nor delay in exercising, any right, power or remedy upon any default shall be construed as a waiver of such default or as a waiver of the right to exercise any such right, power or remedy at a later date. No single or partial exercise of any right, power or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy hereunder may be exercised at any time and from time to time. No modification or waiver of any provision hereof nor consent to any departure by Grantor therefrom shall in any event be effective unless the same shall be in writing and signed by Beneficiary and then such waiver or consent shall be effective only in the specific instances, for the purpose for which given and to the extent therein specified. No notice to nor demand on Grantor in any case shall of itself entitle Grantor to any other or further notice or demand in similar or other circumstances. Acceptance of any payment in an amount less than the amount then due on any secured indebtedness shall be deemed an acceptance on account only and shall not in any way excuse the existence of a default hereunder.
