THAT, **Houston Energy, L.P.**, a Texas limited partnership, whose address is Two Allen Center, 1200 Smith, Suite 2400, Houston, Texas 77002, **Red Willow Offshore, LLC**, a Colorado limited liability company, whose address is 14933 Highway 172, Post Office Box 369, Ignacio, Colorado 81137, and **Ridgewood Alligator, LLC**, a Delaware limited liability company, whose address is 14 Philips Parkway, Montvale, New Jersey 07645, (all hereinafter referred to individually as an "Assignor" and jointly referred to as "Assignors") are the owners of an undivided fifty percent (50%) record title interest in the following oil and gas lease (hereinafter referred to as the "Lease"):

Oil and Gas Lease of Submerged Lands bearing serial number OCS-G 36399 effective December 1, 2018, between the United States of America, as Lessor, and Ridgewood Energy Corporation, Houston Energy, L.P., LLOG Exploration Offshore, L.L.C., and Red Willow Offshore, LLC, as Lessee, described as all of Block 630, Mississippi Canyon, OCS Official Protraction Diagram, NH 16-10, containing approximately 5,760.00 acres, and

WHEREAS, Assignors are the owners of an undivided fifty percent (50%) record title interest in the lease and desire to assign unto **TGS-NOPEC Geophysical Company**, a Delaware Corporation, whose address is 10451 Clay Road, Houston, Texas 77043 (hereinafter referred to as "Assignee") a certain overriding royalty interest in the Lease.

NOW, THEREFORE, effective as of December 1, 2018, and for and in consideration of the mutual advantages and benefits accruing to the parties hereto and for One Thousand and No/100 Dollars (\$1,000), and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and further in consideration of the mutual covenants and conditions herein contained, each Assignor does hereby TRANSFER, CONVEY, SELL and ASSIGN unto Assignee a proportionately reduced overriding royalty interest in the Lease of 1.00% of 8/8ths (or a net 0.5% of 8/8's interest) (hereinafter referred to as the "Overriding Royalty").

The Overriding Royalty shall be due only with respect to oil, gas and other minerals produced, saved and marketed from or attributable to the Lease, it being understood that any oil, gas or other minerals utilized in the drilling, rework, producing or other operations on such Lease shall be specifically deducted from the gross production prior to calculating the volume for the Overriding Royalty. The Overriding Royalty shall be free and clear of any cost of drilling or production, but shall bear its proportionate share of all applicable taxes, including, but not limited to, severance or other similar taxes applicable to production. The value of such Overriding Royalty shall never be calculated, paid or determined on a basis in excess of the gross proceeds of production after deduction of the foregoing and shall be computed and paid at the same time and in the same manner as royalties are computed and paid to the lessor under the terms of the applicable Lease; provided, however, notwithstanding the foregoing,

the Overriding Royalty shall never be subject to, affected by, or diminished by any past, present or future rules or regulations promulgated by the Bureau of Ocean Energy Management ("BOEM") successor agency to the Minerals Management Service of the Department of Interior, or any other agency or authority having jurisdiction over the lands covered by a Lease, that provide for, or may provide for, relief, reduction or suspension of the lessor's royalty under a Lease. Assignor shall have the right to pool, unitize, communitize, form joint development areas, surrender, or permit to expire, the Leases without the necessity or joinder of the Assignee, or any subsequent holder of the Overriding Royalty and Assignor shall not be in any manner obligated to maintain, preserve or continue in effect the Leases in any manner whatsoever, or to drill or rework any well on the Leases or conduct any operation whatsoever thereunder. The Overriding Royalty shall be subject to proportionate reduction (i) on account of the failure of leasehold or mineral title for a Lease; (ii) in the event a Lease relates to less than the entirety of the minerals; or (iii) as stated above, if Assignor's leasehold interest in a Lease relates to less than the entirety of the leasehold interest in such Lease, then the Overriding Royalty herein conveyed shall be proportionately reduced and shall be payable to Assignee in the proportion that Assignor's interest in a Lease bears to the entire interest of such Lease. If a Lease is pooled, combined into a joint development area, or unitized, then the Overriding Royalty shall be computed only on the proportionate part of production from any pooled, combined or unitized portion of such Lease which is included in such a pool, joint development area, or unit. Unless otherwise allocated by order of any regulatory body or other authority having jurisdiction, or agreement by Assignor, the amount of production to be allocated to each pool, joint development area, or unit shall be that proportion of the total production that the surface area of the Lease included within such pool, joint development area, or unit bears to the total surface area of all the lands contained within such pool, joint development area, or unit. Notwithstanding anything to contrary herein, without the prior written consent of Assignee, under no circumstances shall proportionate reduction for pooling, formation of a joint development area, or unitization serve to further reduce the Overriding Royalty.

This Assignment arises under and is delivered pursuant to that certain Master License Agreement dated effective January 20, 1989 and that certain Supplement Number 1 Agreement dated October 27, 2004 by and between Assignor and Assignee.

Subject to the matters set forth herein, each Assignor, to the extent of its interest conveyed hereunder, hereby agrees to warrant and forever defend title to the Overriding Royalty against the claims and demands of every person whomsoever claiming, or to claim, the same or any part thereof, by, through or under Assignor, but not otherwise. All payment and performance obligations of each Assignor owed to Assignee pursuant to this Assignment to pay its proportionate share of the Overriding Royalty shall be several and not joint, it being the intention of the parties to this Assignment that nothing herein shall be construed as creating any joint and several liabilities or solidary obligations of the Assignors with respect to any such payment and performance obligations.

This Assignment may be executed in any number of counterparts, each of which shall be valid and binding with respect to the signatories thereto and their interest in the property sold and conveyed hereby, but only upon execution by all signatories of this Assignment or a counterpart hereof.

This Assignment shall inure to the benefit of and be binding upon the successors, representatives, and assigns of the parties hereto.
