I. This Assignment shall constitute a burden encumbering Producer's interest in the Mormont Leases.

2. **ORRI Grant.** Producer hereby grants, transfers, conveys, assigns and delivers an overriding royalty to FPS Owner, as agent for the Payment Parties, as further described hereafter in this Section 2 (the "**Mormont ORRI**"). The Mormont ORRI (i) applies to Producer's record title and/or operating rights interests in all of the Oil, Gas and other Hydrocarbons in, on, under and that may be produced and saved from those lands subject to the leases comprising the Mormont Prospect, which are described on Attachment A, including any current or future units approved by the Department of the Interior, Bureau of Safety and Environmental Enforcement, or any successor

regulatory agency, that cover all or part of any such leases (such leases, the "**Mormont Leases**", and such interests of Producer, the "**Producer Interest**"), (ii) shall only be payable with respect to Oil, Gas and other Hydrocarbons produced on and after the first Day of the first calendar month commencing after the ORRI Activation Event occurs and (iii) shall be calculated by multiplying the Royalty Rate by the Applicable Proceeds of all Oil, Gas and other Hydrocarbons produced, saved and sold from or attributable to the Producer Interest in the Mormont Leases until FPS Owner, as agent for the Payment Parties, has received ORRI Payout for each ORRI Activation Event that occurs after the Execution Date; *provided that*, in no event shall the amount payable for multiple ORRI Activation Events cause Producers to pay more than the cumulative amount of the FPS Owner Payout and the Lateral Owner Payout. Notwithstanding anything herein to the contrary, each of FPS Owner and each Payment Party shall have the right to take in-kind, all or any portion, of its Royalty Rate share of the Hydrocarbons produced and saved from the Producer Interests in connection with the Mormont ORRI by providing 30 Days' written notice to the Producer. Except as otherwise provided under this Assignment, the Mormont ORRI shall be computed and paid to the FPS Owner in the same manner as royalties are computed and paid under the terms of the applicable Mormont Lease, *provided that*, the Mormont ORRI shall never be subject to, affected by or diminished by any past, present or future rules or regulations promulgated by the BOEM, or any other agency or authority having jurisdiction over the lands covered by the applicable lease, that provide for, or may provide for, relief, reduction or suspension of the lessor's royalty.

3. Responsibility for Costs. In the case of payments under the Mormont ORRI resulting from any ORRI Activation Event, the Mormont ORRI shall be free and clear of all drilling, development and production costs, but shall bear its share of all transportation and marketing costs, and all applicable taxes, including, but not limited to, severance or other similar taxes applicable to production.

4. Single Mormont ORRI. Notwithstanding the fact that multiple ORRI Activation Events may occur, Producer has granted only the single Mormont ORRI, and the occurrence of more than one ORRI Activation Event shall not increase the burden or Royalty Rate of the Mormont ORRI in any way.

5. FPS Owner as Collection Agent. FPS Owner is the holder of the Mormont ORRI as agent for the Payment Parties and shall receive payments under the Mormont ORRI on behalf of the Payment Parties. FPS Owner shall allocate all payments received under the Mormont ORRI as provided in Section 8 and shall remit each Payment Party's share of any payment under the Mormont ORRI within 30 Days of receipt. The Payment Parties are third party beneficiaries of this Assignment, but neither Producer nor the Mormont Prospect Operator shall have any liability under this Assignment to any Payment Party for a payment due under the Mormont ORRI which is made to FPS Owner but not remitted by FPS Owner (or, if remitted by FPS Owner to the Lateral Company, by the Lateral Company) to the proper Payment Parties.

6. Effect of Other Overriding Royalties. In the case of any ORRI Activation Event, some or all of the Other Producer ORRIs will become payable, and any payments made pursuant to such Other Producer ORRIs to FPS Owner, on behalf of the Payment Parties, shall be applied in calculating the ORRI Payout due as a result of such other ORRI Activation Event.

7. Effect of Other Recoveries by FPS Owner. In calculating the ORRI Payout due as a result of any ORRI Activation Event, FPS Owner shall include, without limitation, any other recovery by FPS Owner or the Lateral Company (as applicable), whether in the form of processing fees, handling fees, suspension fees, transportation fees, Other Producer ORRIs or Work Proceeds (as defined respectively in the Mormont PHA, the Oil Transportation Agreement and the Gas Transportation Agreement) (collectively, "**Other Owner Revenues**") that FPS Owner or the Lateral Company receive. Producer's, FPS Owner's and the Lateral Company's intent is not to allow any double recovery by FPS Owner with respect to FPS Owner Payout, or with respect to Lateral Owner Payout.

8. Allocation Priority. If at any time when the Mormont ORRI is payable under this Assignment due to multiple ORRI Activation Events, then each payment under the Mormont ORRI shall be allocated by FPS Owner among ORRI Payouts resulting from any such ORRI Activation Events ("**Activation Event Payouts**") on a pro-rata basis by multiplying the portion of the Mormont ORRI payment received by FPS Owner and available to apply to Activation Event Payouts by a fraction whose numerator is the particular Activation Event Payout due and whose denominator is the sum of all Activation Event Payouts then due under the Mormont ORRI.

9. Accounting. Following its commencement under Section 2, the Mormont ORRI is due on a monthly basis, and Producer shall cause the Mormont Prospect Operator to provide FPS Owner with appropriate accounting support for the payments made hereunder. Whenever requested by FPS Owner, Producer shall cause the Mormont Prospect Operator to make its production and payment records available for audit. FPS Owner's audit rights are limited to a review of records for the two-year period preceding the date of the most recent Mormont ORRI payment. Additionally, FPS Owner shall provide Producer with a monthly statement showing the Mormont ORRI payment received during the previous month, the total amount of Mormont overriding royalty payments with respect to production from the Mormont Prospect made by all Mormont Producers (as defined in the Mormont PHA), all Other Owner Revenues received by FPS Owner, and the total amount remaining for satisfaction of ORRI Payout. Whenever requested by Producer, FPS Owner shall make its accounting records available for audit. Producer's audit rights are limited to a review of FPS Owner's accounting records for the two year period preceding the date of the most recent FPS Owner monthly accounting.

10. ORRI Termination. The Mormont ORRI shall remain in full force and effect until 7:00 a.m. Central Time on the Day following the date on which FPS Owner has received all ORRI Payouts and no further ORRI Activation Events are possible (the "**Termination Time**"). Upon termination of the Mormont ORRI as provided above, all rights, titles and interests herein conveyed shall automatically terminate, revert to and vest in Producer and, upon request of Producer, FPS Owner shall execute and deliver to the Producer the form of Release included as Attachment B. If any single Mormont Lease should terminate or be released before the Termination Time, the Mormont ORRI will no longer apply to such terminated Mormont Lease, but the Mormont ORRI shall remain in full force and effect and undiminished as to all remaining Mormont Leases until the Termination Time, subject to the terms herein.

11. Estoppel Certificates. At any time upon written request to FPS Owner, Producer may obtain an estoppel certificate from FPS Owner, as agent of the Payment Parties, in favor of Producer and any lenders designated by Producer, in a form reasonably satisfactory to such

lenders, setting forth the then-outstanding amount of the FPS Owner Payout and Lateral Owner Payout and whether any of the ORRI Activation Events has occurred or is no longer possible to occur. If an ORRI Activation Event has occurred, the estoppel certificate shall further set forth the outstanding ORRI Payout remaining due as a result of such ORRI Activation Event.

12. ORRI Binds Successor Working Interest Owners. The Parties agree that this Assignment constitutes a burden on the Producer Interest in the Mormont Leases. If Producer conveys all or any portion of the Producer Interest in a Mormont Lease to a third party, the burden created by this Assignment, and all terms hereof, shall apply proportionately to any Producer Interest so acquired, and shall bind any successors and assigns of such Producer Interest. In the case of any conveyance of all or a portion of the Producer Interest in a Mormont Lease to a third party, such third party shall expressly agree in such assignment to be subject to and bound by the terms and conditions of this Assignment to the extent of the interest acquired.

13. No Lease Maintenance Obligation. Producer and its successors and assigns shall never be under any obligation to FPS Owner or any Payment Party to maintain a Mormont Lease in force and effect by the payment of rentals, the drilling of wells, the production of Hydrocarbons or otherwise. It is understood and agreed that Producer may surrender or relinquish its interest in any Mormont Lease, and any Mormont Lease may be released, without the consent, joinder or approval of FPS Owner or any Payment Party. It is recognized that FPS Owner, on behalf of the Payment Parties, will look solely to the Mormont ORRI for satisfaction and discharge of the Mormont ORRI, and that neither Producer, nor its principal officers, members or manager, is personally or corporately liable for the payment and discharge thereof.

14. No Title Warranty. This Assignment is made without warranty of title, express, statutory or implied, not even for the return of the purchase price, except that Producer specially warrants and agrees to defend title to the Producer Interest against any claims and demands of all Persons (other than the holders of the Permitted Liens not subject to a Subordination Agreement) claiming title to the Producer Interest by, through or under Producer, but not otherwise.

15. Covenants Remaining With the Land. All of the covenants and agreements herein contained shall be deemed covenants running with the land and shall be binding upon the successors and assigns of the Parties.

16. Miscellaneous.

(a) Entire Agreement. This Assignment, together with the Mormont PHA, the Transportation Agreements and the Other Producer ORRIs, supersede all prior (oral or written) and all oral contemporaneous proposals or agreements, all previous negotiations and all other communications or understandings between the Parties and their Affiliates with respect to the subject matter hereof.

(b) Amendments and Modifications. All amendments, supplements and modifications to this Assignment shall be in writing and signed by the Parties. No course of dealing between the Parties shall be construed to alter the terms hereof.

This Assignment may be executed in multiple counterparts, each of which, when executed, shall be deemed an original, and both of which, when executed and taken together, shall constitute one and the same instrument.
