(the "Operator"), whose taxpayer identification number is 34-1835527 and whose mailing address is 501 WestLake Park Blvd., Houston, Texas 77079, Chevron U.S.A. Inc. whose taxpayer identification number is 25-0527925 and whose mailing address is 1500 Louisiana St. Houston, Texas 77002, and Talos Energy Offshore LLC whose taxpayer identification number is 45-4215065 and whose mailing address is 333 Clay Street, Houston, Texas 77079 (the "Non-Operators").
- 2.0 The Operator and the Non-Operators are parties to that certain Mazama Prospect Operating Agreement, dated effective November 1, 2023 (the "Operating Agreement"), providing for the exploration, development and production of crude oil, natural gas and associated substances from the OCS blocks, or portions thereof, and OCS federal oil and gas lease(s), or portions thereof, described in Exhibit "A" of the Operating Agreement (hereinafter called the "Contract Area") (such OCS blocks and OCS federal oil and gas lease(s) being more particularly described in Attachment "1" to this Memorandum) and designating BP Exploration & Production LLC, as the Operator, to conduct such operations for itself and the undersigned Non-Operators, by and within the terms of the Operating Agreement. All such OCS federal leases (or portions thereof) identified in Exhibit "A" of the Operating Agreement and Attachment "1" to this Memorandum and any future oil and gas leases covering OCS blocks or portions thereof that may be acquired by the Operator and the Non-Operators and added to the Contract Area as substitutions for, or replacements of, existing leases or as leases acquired in the future covering OCS blocks or portions thereof included in the Contract Area are hereinafter collectively called the "Leases." Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Operating Agreement. The liability of the Parties under the Operating Agreement is several and not joint or collective. Each party to the Operating Agreement shall only be responsible for its obligations and shall be liable for its share of Costs as provided therein.
- 3.0 Among other provisions, the Operating Agreement (i) provides for certain liens, mortgages, pledges and security interests to secure payment by the Parties of their respective share of costs and performance of other obligations under the Operating Agreement, (ii) contains an Accounting Procedure, which establishes interest to be charged on indebtedness, certain costs, and other expenses under the Operating Agreement at the rate set forth therein, and which provides for other matters, (iii) includes non-consent clauses which establish that parties who elect not to participate in certain operations shall be deemed to have relinquished their interest in production until the carrying consenting parties recover their costs of such operations plus a specified amount, or forfeit their interest in certain Leases or portions thereof involved in such operations, (iv) grants each party to the Operating Agreement the right to take in kind its proportionate share of all oil and gas produced from the Contract Area, (v) includes a Gas Balancing Agreement which is attached as Exhibit "D" to the Operating Agreement and (vi) grants certain preferential rights to purchase concerning Transfers of Interest.
- 4.0 The Operator hereby certifies that a true and correct copy of the Operating Agreement is on file and is available for inspection by third parties at the offices of the Operator at the address set forth in this Memorandum. The purpose of this Memorandum is to more fully describe the liens, mortgages, pledges and security interests provided for in the Operating Agreement, and to place third parties on notice thereof, and to restate, grant and convey the same to the extent required to perfect the same fully in accordance with applicable state law.
- 5.0 In addition to any other security rights and remedies provided for by law with respect to services rendered or materials and equipment furnished under the Operating Agreement, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the covenants and mutual undertakings of the Operator and the Non-Operators set forth in the Operating Agreement, the Operator and the Non-Operators hereby agree as follows:
 - 5.1 To secure the complete and timely performance of and payment by the Non-Operators of all obligations and indebtedness of every kind and nature, whether now owed by such Non-Operators or hereafter arising, pursuant to the Operating Agreement, the Non-Operators hereby grants to the Operator a first lien, mortgage, hypothecation, and pledge of and over all of its rights, titles, and interests in and to (a) the Leases, (b) the oil and gas in, on, under, and that may be produced from the lands within the Contract Area, and (c) all other immovable property susceptible of mortgage situated within the Contract Area. To the extent applicable state law requires liquidation of the same for the

mortgage to be enforceable, the maximum amount of the obligation to be secured from time to time by each such lien and mortgage shall be Five Hundred Million Dollars (\$500,000,000.00); otherwise the maximum amount of the obligation to be so secured shall be unlimited. Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of the Non-Operators to the Operator is secured hereby without limitation. Notwithstanding the foregoing maximum amount of Five Hundred Million Dollars (\$500,000,000.00), the liability of each Party under the Operating Agreement and this Memorandum and the mortgage, lien, and security interest granted hereby shall be limited to (and Operator shall not be entitled to enforce the same against each Party for an amount exceeding) the actual obligations and indebtedness (including all interest charges, costs, attorneys fees, and other charges provided for in the Operating Agreement or in this Memorandum) outstanding and unpaid and that are attributable to or charged against the interest of such Party pursuant to the Operating Agreement

- 5.2 To secure the complete and timely performance of and payment by the Non-Operators of all obligations and indebtedness, whether now owed by such Non-Operators or hereafter arising, pursuant to the Operating Agreement, the Non-Operators hereby grants to the Operator a continuing security interest in and to all of its rights, titles, interests, claims, general intangibles, proceeds and products thereof, whether now existing or hereafter acquired, in and to (a) all oil, gas and associated substances produced from the lands or offshore blocks covered by the Leases or included within the Contract Area or attributable to the Leases or the Contract Area when produced; (b) all accounts receivable accruing or arising as a result of the sale of such oil, gas and associated substances (including, without limitation, accounts arising from gas imbalances or from the sale of oil, gas and associated substances at the wellhead); (c) all cash or other proceeds from the sale of such oil, gas, and associated substances once produced; and (d) all Production Systems, wells, facilities, fixtures, other corporeal property whether movable or immovable, whether now or hereafter placed on the lands or offshore blocks covered by the Leases or the Contract Area or maintained or used in connection with the ownership, use or exploitation of the Leases or the Contract Area, and other surface and sub-surface equipment of any kind or character located on or attributable to the Leases or the Contract Area and the cash or other proceeds realized from the sale, transfer, disposition or conversion thereof. The interest of the Non-Operators in and to the oil, gas and associated substances produced from or attributable to the Leases or Contract Area when extracted and the accounts receivable accruing or arising as the result of the sale thereof shall be financed at the wellhead of the well or wells located on the Leases or the Contract Area. To the extent susceptible under applicable law, the security interest granted by the Non-Operators hereunder covers: (a) all substitutions, replacements, and accessions to the property of such Non-Operators described herein and is intended to cover all of the rights, titles and interests of such Non-Operators in all personal or movable property now or hereafter located upon or used in connection with the Contract Area, whether tangible or intangible, corporeal or incorporeal; (b) all rights under any gas balancing agreement, farmout agreement, option farmout agreement, acreage and cash contributions, and conversion rights of such Non-Operators in connection with the Leases or the Contract Area, the oil, gas and associated substances produced from or attributable to the Leases, or the Contract Area, whether now owned and existing or hereafter acquired or arising, including, without limitation, all interests of the Non-Operators in any partnership, tax partnership, limited partnership, association, joint venture, or other entity or enterprise that holds, owns, or controls any interest in the Contract Area; and (c) all rights, claims, general intangibles, and proceeds, whether now existing or hereafter acquired, in and to the contracts, agreements, permits, licenses, rights-of-way, and similar rights and privileges that relate to or are appurtenant to the Leases or the Contract Area, including without limitation the following:
- (i) all of its rights, titles, and interests, whether now owned and or existing or hereafter acquired or arising, in, to and under or derived from any present or future operating, farmout, bidding, pooling, unitization, and communitization agreements, assignments, and subleases, whether or not described in Exhibit "A" of the Operating Agreement, to the extent, and only to the extent, that such agreements, assignments, and subleases cover or include any of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in and to all or any portion of the Leases or the Contract Area, and all units created by any such pooling, unitization, and communitization agreements and all units formed under orders, regulations, rules, or other official acts of any governmental authority having jurisdiction, to the extent and only to the extent that such units cover or include all or any portion of the Leases or the Contract Area;
 - (ii) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from all presently existing and future advance payment agreements, oil, casinghead gas, and gas sales, exchange, and processing contracts and agreements, including, without limitation, those contracts and agreements that are described on Exhibit "A" of the Operating Agreement, to the extent, and only to the extent, those contracts and agreements cover or include all or any portion of the Leases or the Contract Area; and
 - (iii) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from all existing and future permits, licenses, rights-of-way, and similar rights and privileges that relate to or are appurtenant to any of the Leases or the Contract Area.

- 5.3 To the extent susceptible under applicable law, the mortgage, lien and the security interests granted in favor of the Operator herein shall secure the complete and timely performance of all obligations of such Non-Operators and payment of all Costs and other expenses charged to such Party under the terms and conditions of the Operating Agreement, together with (a) interest on such indebtedness, Costs, and other expenses at the rate set forth in Exhibit "C" (*Accounting Procedure*) or the maximum rate allowed by law, whichever is the lesser, (b) reasonable attorneys' fees, (c) court costs, and (d) other directly related collection costs. If any Non Operator does not pay such Costs and other expenses or completely and timely perform its obligations under this Agreement if still due after any applicable notice, the Operator shall have the additional right to (A) withhold delivery of such defaulting Non-Operator's Hydrocarbons and retain them for Operator's own account and ownership or (B) notify the purchaser or purchasers of the defaulting Non Operator's Hydrocarbon production and collect such Costs and other expenses out of the proceeds from the sale of the defaulting Non Operator's share of Hydrocarbon production until the amount owed has been paid. The Operator is hereby authorized to further file such other forms of financing statements (including, without limitation, continuation statements) and to file this Memorandum, whether as an exhibit to such financing statements or otherwise, in such jurisdictions as it may deem necessary and appropriate to perfect and give notice of the security interests and lien rights intended to be conveyed hereby.
- 5.5 To secure the complete and timely performance of and payment by the Operator to the Non-Operators of all obligations and indebtedness of every kind and nature, whether now owed by Operator or hereafter arising, pursuant to the Operating Agreement, Operator hereby grants to the Non-Operators a first lien, mortgage, hypothecation, and pledge of and over all of its rights, titles, and interests in and to (a) the Leases, (b) the oil and gas in, on, under, and that may be produced from the lands within the Contract Area, and (c) all other immovable property susceptible of mortgage situated within the Contract Area. To the extent applicable state law requires liquidation of the same for the mortgage to be enforceable, the maximum amount of the obligation to be secured from time to time by each such lien and mortgage shall be Five Hundred Million Dollars (\$500,000,000.00); otherwise the maximum amount of the obligation to be so secured shall be unlimited. Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of the Operator to the Non-Operators is secured hereby without limitation. Notwithstanding the foregoing maximum amount of Five Hundred Million Dollars (\$500,000,000.00), the liability of each Party under the Operating Agreement and this Memorandum and the mortgage, lien, and security interest granted hereby shall be limited to (and the Non-Operators shall not be entitled to enforce the same against Operator for an amount exceeding) the actual obligations and indebtedness (including all interest charges, costs, attorneys fees, and other charges provided for in the Operating Agreement or in this Memorandum) outstanding and unpaid and that are attributable to or charged against the interest of Operator pursuant to the Operating Agreement
- 5.6 To secure complete and timely performance of and payment by the Operator of all obligations and indebtedness, whether now owed by the Operator or hereafter arising, pursuant to the Operating Agreement, the Operator hereby grants to the Non-Operators a continuing security interest in and all of its rights, titles, interests, claims, general intangibles, proceeds, and products thereof, whether now existing or hereafter acquired, in and to (a) all oil, gas, and associated substances produced from the lands or offshore blocks covered by the Leases or included within the Contract Area or attributable to the Leases or the Contract Area when produced; (b) all accounts receivable accruing or arising as a result of the sale of such oil, gas, and associated substances (including, without limitation, accounts arising from gas imbalances or from the sale of oil, gas and associated substances at the wellhead); (c) all cash or other proceeds from the sale of such oil, gas, and associated substances once produced; and (d) all Production Systems, wells, facilities, fixtures, other corporeal property whether movable or immovable, whether now or hereafter placed on the offshore blocks covered by the Leases or the Contract Area or maintained or used in connection with the ownership, use or exploitation of the Leases or the Contract Area, and other surface and sub-surface equipment of any kind or character located on or attributable to the Leases or the Contract Area and the cash or other proceeds realized from the sale, transfer, disposition or conversion thereof. The interest of the Operator in and to the oil, gas, and associated substances produced from or attributable to the Leases or Contract Area when extracted and the accounts receivable accruing or arising as the result of the sale thereof shall be financed at the wellhead of the well or wells located on the Leases or the Contract Area. To the extent permissible under applicable law, the security interest granted by the Operator hereunder covers: (a)

all substitutions, replacements, and accessions to the property of the Operator described herein and is intended to cover all of the rights, titles and interests of the Operator in all personal or movable property now or hereafter located upon or used in connection with the Contract Area, whether tangible or intangible, corporeal or incorporeal; (b) all rights under any gas balancing agreement, farmout agreement, option farmout agreement, acreage and cash contributions, and conversion rights of the Operator in connection with the Leases or the Contract Area, the oil, gas, and associated substances produced from or attributable to the Leases, or the Contract Area, whether now owned or existing or hereafter acquired or arising, including, without limitation, all interests of the Operator in any partnership, tax partnership, limited partnership, association, joint venture, or other entity or enterprise that holds, owns, or controls any interest in the Contract Area; and (c) all rights, claims, general intangibles, and proceeds, whether now existing or hereafter acquired, in and to the contracts, agreements, permits, licenses, rights-of-way, and similar rights and privileges that relate to or are appurtenant to any of the Leases or the Contract Area, including without limitation the following:
