Ecopetrol America LLC (the "Farmout Agreement"), which Farmout Agreement is incorporated herein by reference, for all purposes. In the event of a conflict between the terms and conditions of this Assignment and the terms and conditions of the Farmout Agreement, the terms and conditions of the Farmout Agreement shall prevail and apply. Any capitalized terms utilized but not otherwise defined in this Assignment shall have the meaning ascribed to such term in the Farmout Agreement.

- (3) This Assignment is binding upon and inures to the benefit of the parties and their respective heirs, successors and assigns. As a condition of any Transfer of any Lease and/or Subsequent Lease to a Third Party, Assignor shall require such transferee to expressly assume the performance of all of LLOG's obligations in Sections 4.3 and 4.4 of the Farmout Agreement, however, the Assignor, LLOG (and any and all subsequent assignees) shall remain liable for the performance of this Assignment and the Sections 4.3 and 4.4 of the Farmout Agreement.
- (4) The ORRI shall be calculated and paid to Assignee at the same time and in the same manner as the lessor's royalty under the Leases, free and clear of all:
  - (a) liens, charges, and encumbrances placed thereon by Assignor,
  - (b) all royalties and lessor's royalties (which shall be borne and paid by Assignor),
  - (c) all costs, risk, expenses, and liabilities of exploring, drilling, equipping, testing, operating, developing, maintaining or abandoning the Leases, any well or facility thereon, including, without limitation, maintaining said Leases, in full force and effect, plugging and abandoning any well on said Leases and any appurtenances thereto, and clean-up and restoration of said Leases, and

provided, however, that the ORRI shall never be subject to, or in any way adversely affected or diminished by: (i) any royalty relief, reduction or suspension under the Deep Water Royalty Relief Act or any other statute providing for royalty relief, reduction or suspension, whether presently or hereafter enacted or made applicable to the Leases; or (ii) any past, present or future rules or regulations promulgated by the DOI, or any other authority having jurisdiction over the lands, providing for relief, reduction or suspension of the lessor's royalty. - (5) The ORRI shall be calculated and paid on the basis of the proceeds received from the first sale of oil and gas production to a purchaser in an arms-length transaction; provided, however, that if the first sale of oil or gas production is made pursuant to other than an arms-length transaction, then the ORRI shall be calculated and paid on the basis of the greater of:

If Assignor unitizes the Lease(s) with another lease, then the ORRI shall be proportionately reduced based upon that portion of the Lease(s) that is attributed to the unit participating area as approved by the DOI. If the contribution from the Lease(s) in any such unit is subject to revision of any participating areas defined in the governing unit agreement, the ORRI shall either be reduced or increased in the same proportion that the contribution from the Lease(s) to such unitized acreage is reduced or increased.

Nothing herein shall be construed to establish or create any express or implied covenants on behalf of Assignor to market any production derived from or attributable to the Leases or to establish or create any of the express or implied covenants normally extended to a lessor of a mineral lease or to a working interest owner in a joint venture.
- (11) Assignee shall have the same rights as Assignor to participate in the audit of volume allocations, revenue calculations (for cash settlements), quality bank adjustment calculations and field imbalance settlements for the Leases. Assignee shall be provided copies, upon written request to the designated operator of the Leases, of all pertinent agreements describing the audit rights and Assignor shall make reasonable efforts to afford Assignee the opportunity to participate in any joint audit of the Leases or any platform / infrastructure that may be conducted by non-operators.
- (12) THIS ASSIGNMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS ASSIGNMENT AS BETWEEN THEMSELVES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF LOUISIANA AND THE FEDERAL ARBITRATION ACT (THE "ACT"), WITHOUT REGARD TO ANY CONFLICT OF LAWS RULES THAT WOULD DIRECT APPLICATION OF THE LAWS OF

The Parties agree that any dispute related to this Assignment, or the interpretation of any provisions, rights or obligations set forth herein, will be governed by and subject to the dispute resolution procedure set forth in Article 14.2 of the Farmout Agreement which are incorporated herein by this reference.

- (13) This Assignment may be executed in multiple counterparts, each of which shall for all purposes constitute one and the same instrument.
