2.0 The Operator and the Non-Operating Parties are parties to that certain Joint Operating Agreement dated effective, February 1, 1999, as amended and supplemented by that certain First Amendment and Supplement to Joint Operating Agreement (Prospect Medusa) dated effective as of August 29, 2003, (as so amended and supplemented, and as the same may hereafter be amended, supplemented, modified and/or restated from time to time, the "Operating Agreement"), which Operating Agreement provides for the exploration, development and production of crude oil, natural gas and associated substances from the OCS blocks, or portions thereof, described in the OCS federal oil and gas leases (or portions thereof) identified on Attachment "1" attached hereto ("Leases") (the Leases insofar as they cover the lands described therein as to all depths, herein the "Prospect Area"). All other capitalized terms appearing in this Declaration, unless otherwise defined herein, shall be given the meaning as defined in the Operating Agreement.

3.0 Among other provisions, the Operating Agreement provides in Article 6 for the creation of certain liens, mortgages, pledges and security interests to secure the Parties' obligations thereunder, sets forth the terms and conditions upon which the exploration, development

This mortgage is given to secure the complete and timely performance of and payment by each granting Non-Operating Party of all obligations and indebtedness of every kind and nature, whether now owed by such Non-Operating Party or hereafter arising, pursuant to the Operating Agreement. To the extent susceptible under applicable law, this mortgage and the security interests granted in favor of the Operator and the other Non-Operating Parties herein shall

If any Non-Operating Party does not pay such costs and other expenses or perform its obligations under the Operating Agreement when due, the Operator and the other Non-Operating Parties shall have the additional right to notify the purchaser or purchasers of the defaulting Non-Operating Party's Hydrocarbon production and collect such costs and other expenses out of the proceeds from the sale of the defaulting Non-Operating Party's share of Hydrocarbon production until the amount owed has been paid. The Operator and the other Non-Operating Parties shall have the right to offset the amount owed against the proceeds from the sale of such defaulting Non-Operating Party's share of Hydrocarbon production. Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of each Non-Operating Party to the Operator and/or other Non-Operating Parties is secured hereby without limitation. Notwithstanding the foregoing Limit of the Mortgage of each Non-Operating Party, the liability of each Non-Operating Party under the Operating Agreement and the mortgage and security interest granted hereby shall be limited to (and the Operator and/or other Non-Operating Parties shall not be entitled to enforce the same against such Non-Operating Party for, an amount exceeding) the actual obligations and indebtedness, (including all interest charges, costs, attorneys' fees, and other charges provided for in the Operating Agreement or in this Declaration, outstanding and unpaid and that are attributable to or charged against the interest of such Non-Operating Party pursuant to the Operating Agreement.

5.3 *Mortgage By Operator.* The Operator, as mortgagor and secured party, hereby grants to, and collaterally assigns in favor of, each Non-Operating Party, each as mortgagee and secured party, a mortgage, hypothecation, and pledge of and over all of its rights, titles, and interests, now owned or hereafter acquired, in and to (a) the Leases; (b) the oil and gas in, on, under, and that may be produced from the lands within the Leases and the Prospect Area; (c) the Production Systems and Facilities, including, without limitation, the Medusa Spar; and (d) all other immovable property or other property susceptible of mortgage situated within the Prospect Area, including without limitation all facilities, pipelines, flowlines, wells, platforms and other improvements, buildings and other constructions now or hereafter located upon the Prospect Area, and all easements, rights-of-way and other similar interests and rights located upon the Prospect Area (inclusive of but without limitation to those, if any, described on Attachment 1 hereto), together with all tenements, hereditaments, appurtenances and other property, of any nature or kind, in anywise appertaining, belonging, affixed or incidental to any of the foregoing property, and all rents, issues, profits and products of any of the foregoing.

To the extent susceptible under applicable law, this mortgage and the security interests granted in favor of each Non-Operating Party herein shall secure the payment of all costs and other expenses properly charged to or being the obligation of the Operator, together with (a) interest on such indebtedness, costs, and other expenses at the rate set forth in the Operating Agreement or the maximum rate allowed by law, whichever is the lesser, (b) reasonable attorneys' fees, (c) court costs, and (d) other directly related collection costs. Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of the Operator to the Non-Operating Parties is secured hereby without limitation. Notwithstanding the foregoing Limit of the Mortgage of the Operator, the liability of the Operator under the Operating Agreement and the mortgage and security interest granted hereby shall be limited to (and the Non-Operating Parties shall not be entitled to enforce the same against the Operator for, an amount exceeding) the actual obligations and indebtedness (including all interest charges, costs, attorneys' fees, and other charges provided for in the Operating Agreement or in this Declaration, outstanding and unpaid and that are attributable to or charged against the interest of the Operator pursuant to the Operating Agreement.

5.4 *Security Interest Grant by Operator.* To secure the complete and timely performance of and payment by the Operator of all obligations and indebtedness of every kind and nature, whether now owed by the Operator or hereafter arising, pursuant to the Operating Agreement, the Operator, as debtor, hereby grants to each Non-Operating Party, each as secured party, a continuing security interest in and to all of its rights, titles, interests, claims, general intangibles, proceeds, and products thereof, whether now existing or hereafter acquired, in and to (a) all oil and gas produced from the lands or offshore blocks covered by the Leases or attributable to the Leases when produced, (b) all accounts receivable accruing or arising as a result of the sale of such oil and gas (including, without limitation, accounts arising from gas imbalances or from the sale of oil and gas at the wellhead), (c) all cash or other proceeds from the sale of such oil and gas once produced, and (d) all Production Systems (including, without limitation, the Medusa Spar), Facilities, wells, fixtures, other corporeal property whether movable or immovable, whether now or hereafter placed on the lands or offshore blocks covered by the Leases or maintained or used in connection with the ownership, use or exploitation of the Leases, and other surface and sub-surface equipment of any kind or character located on or attributable to the Leases and all accounts receivable accruing or arising as a result of, and all cash or other proceeds realized from, the sale, transfer, disposition or conversion thereof. The interest of the Operator in and to the oil and gas produced from or attributable to the Leases when extracted and the accounts receivable accruing or arising as the result of the sale thereof

shall be financed at the wellhead of the well or wells located on the Leases. To the extent susceptible under applicable law, the security interest granted by the Operator hereunder covers: (A) all substitutions, replacements, and accessions to the property of the Operator described herein and is intended to cover all of the rights, titles and interests of the Operator in all movable property now or hereafter located upon or used in connection with the Leases, whether corporeal or incorporeal, whether now owned or existing or hereafter acquired or arising; (B) all rights under any gas balancing agreement, farmout rights, option farmout rights, acreage and cash contributions, and conversion rights of the Operator in connection with the Leases, or the oil and gas produced from or attributable to the Leases, whether now owned and existing or hereafter acquired or arising, including, without limitation, all interests of the Operator in any partnership, tax partnership, limited partnership, association, joint venture, or other entity or enterprise that holds, owns, or controls any interest in the Leases; and (C) all rights, claims, general intangibles, and proceeds, whether now existing or hereafter acquired, of the Operator in and to the contracts, agreements, permits, licenses, rights-of-way, and similar rights and privileges that relate to or are appurtenant to the Leases, including the following:
