5.1 ***Mortgage by Spar LLC.*** Spar LLC, as mortgagor and debtor, hereby grants to, and collaterally assigns in favor of, the Operator and the Non-Operating Parties, each as mortgagee and secured party, a mortgage, hypothecation, and pledge of and over all of its rights, titles, and interests, now owned or hereafter acquired, in and to (a) the Leases; (b) the oil and gas in, on, under, and that may be produced from the lands within the Leases and the Prospect Area (the "Hydrocarbon production"); (c) the Production Systems and all Facilities (as these terms are defined and described on Attachment 1 hereto), including without limitation the Medusa Spar (as defined and described on Attachment 1 hereto); and (d) all other immovable property susceptible of mortgage situated within the Prospect Area, including without limitation all facilities, pipelines, flowlines, wells, platforms and other improvements, buildings and other constructions now or hereafter located upon the

Prospect Area, and all easements, rights-of-way and other similar interests and rights located upon the Prospect Area (inclusive of but without limitation to those, if any, described on Attachment 1 hereto), together with all tenements, hereditaments, appurtenances and other property, of any nature or kind, in anywise appertaining, belonging, affixed or incidental to any of the foregoing property, and all rents, issues, profits and products of any of the foregoing. This mortgage is given to secure the complete and timely performance of and payment by Spar LLC of all obligations and indebtedness of every kind and nature, of Spar LLC to the Operator and/or the Non-Operating Parties pursuant to the Operating Agreement, whether now owed or hereafter arising together with (a) interest on any such indebtedness, costs, and other expenses at the rate set forth in the Operating Agreement or the maximum rate allowed by law, whichever is the lesser, (b) reasonable attorneys' fees, (c) court costs, and (d) other directly related collection costs. If Spar LLC does not pay such costs and other expenses or perform its obligations under the Operating Agreement when due, the Operator and the Non-Operating Parties shall have the additional right, to the extent applicable, to notify the purchaser or purchasers of Spar LLC's Hydrocarbon production and collect such costs and other expenses out of the proceeds from the sale of Spar LLC's share of Hydrocarbon production until the amount owed has been paid. The Operator and the Non-Operating Parties shall have the right to offset the amount owed against the proceeds from the sale of Spar LLC's share of Hydrocarbon production. Any purchaser of such Hydrocarbon production shall be entitled to rely on the statement of the Operator or the Non-Operating Parties, as the case may be, concerning the amount of costs and other expenses owed by Spar LLC, and payment made to the Operator or the Non-Operating Parties, as the case may be, by any purchaser shall be binding and conclusive as between such purchaser and Spar LLC. In addition, the Operator and the Non-Operating Parties shall have the right to offset the amount owed against any and all revenues attributable to Spar LLC's interest in any portion of the Prospect Area, inclusive of all Leases, wells, equipment, Production Systems, Facilities and other property within the Prospect Area and/or any and all sums otherwise due and owing by Operator and/ or any Non-Operating Party to Spar LLC.

The maximum amount for which the mortgage and collateral assignment herein granted by Spar LLC shall be deemed to secure the obligations and indebtedness of Spar LLC to the Operator and/or the Non-Operating Parties, as the case may be, as stipulated herein is hereby fixed in an amount equal to $50,000,000.00 (the "Limit of the Mortgage of Spar LLC"). Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of Spar LLC to the Operator and/or Non-Operating Parties is secured hereby without limitation. Notwithstanding the foregoing Limit of the Mortgage of Spar LLC, the liability of Spar LLC under the Operating Agreement and the mortgage and security interest granted hereby shall be limited to (and the Operator and/or Non-Operating Parties shall not be entitled to enforce the same against Spar LLC for, an amount exceeding) the actual obligations and indebtedness, including all interest charges, costs, attorneys' fees, and other charges provided for in the Operating Agreement or in this Declaration, outstanding and unpaid and that are attributable to or charged against the interest of Spar LLC pursuant to the Operating Agreement.

Notwithstanding the foregoing, there is expressly excluded from the above grant and collateral assignment by Spar LLC of a mortgage, hypothecation and pledge, and the same shall not cover or include, attach to or encumber, all of Spar LLC's right, title and interest in and to the tariffs paid and to be paid to Spar LLC by Operator and Callon pursuant to that certain Medusa Spar Operating and Production Handling Agreement dated effective December 18, 2003 by and among Operator, Callon, Oceaneering International, Inc. and Spar LLC (the "Operating & Production Handling Agreement").

5.2 ***Security Interest Grant by Spar LLC.*** To secure the complete and timely performance of and payment by Spar LLC of all obligations and indebtedness of every kind and nature, whether now owed by Spar LLC or hereafter arising, pursuant to the Operating Agreement, Spar LLC, as debtor, hereby grants to the Operator and to the Non-Operating Parties, each as secured party, a continuing security interest in and to all of its rights, titles, interests, claims, general intangibles, proceeds, and products thereof, whether now existing or hereafter acquired, in and to (a) all oil and gas produced from the lands or offshore blocks covered by the Leases or attributable to the Leases when produced, (b) all accounts receivable accruing or arising as a result of the sale of such oil and gas (including, without limitation, accounts arising from gas imbalances or from the sale of oil and gas at the wellhead), (c) all cash or other proceeds from the sale of such oil and gas once produced, and (d) all Production Systems (including without limitation the Medusa Spar), Facilities, wells, fixtures, other corporeal property, whether movable or immovable, whether now or hereafter placed on the lands or offshore blocks covered by the Leases or maintained or used in connection with the ownership, use or exploitation of the Leases, and other surface and sub-surface equipment of any kind or character located on or attributable to the Leases and all accounts receivable accruing or arising as a result of, and all cash or other proceeds realized from, the sale, transfer, disposition or conversion thereof. The interest, if any, of Spar LLC in and to the oil and gas produced from or attributable to the Leases when extracted and the accounts receivable accruing or arising as the result of the sale thereof shall be financed at the wellhead of the well or wells located on the Leases. To the extent susceptible under applicable law, the security interest granted by Spar LLC hereunder covers: (A) all substitutions, replacements, and accessions to the property of Spar LLC described herein and is intended to cover all of the rights, titles and interests of Spar LLC in all movable property now or hereafter located upon or used in connection with the Leases, whether corporeal or incorporeal, whether now owned or existing or hereafter acquired or arising; (B) all rights under any gas balancing agreement, farmout rights, option farmout rights, acreage and cash contributions, and conversion rights of Spar LLC in connection with the Leases, or the oil and gas produced from or attributable to the Leases, whether now owned and existing or hereafter acquired or arising, including, without limitation, all interests of Spar LLC in any partnership, tax partnership, limited partnership, association, joint venture, or other entity or enterprise that holds, owns, or controls any interest in the Leases; and (C) all rights, claims, general intangibles, and proceeds, whether now existing or hereafter acquired, of Spar LLC in and to the contracts, agreements, permits, licenses, rights-of-way, and similar rights and privileges that relate to or are appurtenant to the Leases and/or the Prospect Area, including the following:

(i) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from any present or future operating, farmout, bidding, pooling, unitization, and communitization agreements, assignments, and subleases, whether or not described in any exhibit or attachment to this Declaration, to the extent, and only to the extent that such agreements, assignments, and subleases cover or include any of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in and to all or any portion of the Leases, and all units created by any such pooling, unitization, and communitization agreements and all units formed under orders, regulations, rules, or other official acts of any governmental authority having jurisdiction, to the extent and only to the extent that such units cover or include all or any portion of the Leases;

(ii) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from all presently existing and future advance payment agreements, and oil, casinghead gas, and gas sales, exchange, and processing contracts and agreements, including, without limitation, those contracts and agreements that are herein described, if any, to the extent, and only to the extent, those contracts and agreements cover or include all or any portion of the Leases and/or the Prospect Area; and

Notwithstanding the foregoing, there is expressly excluded from the above grant of a continuing security interest by Spar LLC, and such security interest shall not attach to or encumber, all of Spar LLC's right, title and interest in and to the tariffs paid and to be paid to Spar LLC by Operator and Callon pursuant to the Operating & Production Handling Agreement.

5.3 ***Mortgage to Spar LLC.*** The Operator and each Non-Operating Party, each as mortgagor and secured party, hereby grant to, and collaterally assigns in favor of Spar LLC as mortgagee and secured party, a mortgage, hypothecation, and pledge of and over all of its rights, titles, and interests, now owned or hereafter acquired, in and to (a) the Leases; (b) the oil and gas in, on, under, and that may be produced from the lands within the Leases and the Prospect Area; (c) the Production Systems and Facilities, including, without limitation, the Medusa Spar; and (d) all other immovable property or other property susceptible of mortgage situated within the Prospect Area, including without limitation all facilities, pipelines, flowlines, wells, platforms and other improvements, buildings and

other constructions now or hereafter located upon the Prospect Area, and all easements, rights-of-way and other similar interests and rights located upon the Prospect Area (inclusive of but without limitation to those, if any, described on Attachment 1 hereto), together with all tenements, hereditaments, appurtenances and other property, of any nature or kind, in anywise appertaining, belonging, affixed or incidental to any of the foregoing property, and all rents, issues, profits and products of any of the foregoing.

This mortgage is given to secure the complete and timely performance of and payment by each of the Operator and each Non-Operating Party of all obligations and indebtedness of every kind and nature of each such Party to Spar LLC pursuant to the Operating Agreement, whether now owed or hereafter arising. To the extent susceptible under applicable law, this mortgage and the security interests granted in favor of Spar LLC herein shall secure the payment of all costs and other expenses properly charged to or being the obligation of the Operator or such Non-Operating Party, as the case may be, together with (a) interest on such indebtedness, costs, and other expenses at the rate set forth in the Operating Agreement or the maximum rate allowed by law, whichever is the lesser, (b) reasonable attorneys' fees, (c) court costs, and (d) other directly related collection costs, due and owing to Spar LLC and/or otherwise enforceable by Spar LLC. If the Operator or such Non-Operating Party, as the case may be, does not pay such costs and other expenses or perform such obligations under the Operating Agreement when due, Spar LLC shall have the additional right to notify the purchaser or purchasers of the Hydrocarbon production of Operator and/or each Non-Operating Party, as the case may be, and collect such costs and other expenses out of the proceeds from the sale of such Party's share of Hydrocarbon production until the amount owed has been paid. Spar LLC shall have the right to offset the amount owed against the proceeds from the sale of such Party's share of Hydrocarbon production. Any purchaser of such Hydrocarbon production shall be entitled to rely on the statement of Spar LLC concerning the amount of costs and other expenses owed by the Operator and/or each Non-Operating Party, as the case may be, and payment made to Spar LLC by any purchaser shall be binding and conclusive as between such purchaser and the Operator and/or each Non-Operating Party, as the case may be. In addition, Spar LLC shall have the right to offset the amount owed against any and all revenues attributable to such defaulting Parties interest in any portion of the Prospect Area, inclusive of all Leases, wells, equipment, Production Systems, Facilities and other property within the Prospect Area and/or any and all sums otherwise due and owing by Spar LLC to such defaulting Party.

The maximum amount for which the mortgage and collateral assignment herein granted by the Operator and each Non-Operator to Spar LLC shall be deemed to secure the obligations and indebtedness of the Operator and each Non-Operating Party to Spar LLC as stipulated herein is hereby fixed in an amount equal to $50,000,000.00 (the "Limit of the Mortgage of the Operator and Non-Operating Parties"). Except as provided in the previous sentence (and then only to the extent such limitations are required by law), the entire amount of obligations and indebtedness of the Operator and the Non-Operating Parties to Spar LLC is secured hereby without limitation. Notwithstanding the foregoing Limit of the Mortgage of the Operator and Non-Operating Parties, the liability of the Operator and each Non-Operating Party under the Operating Agreement and the

mortgage and security interest granted hereby shall be limited to (and Spar LLC shall not be entitled to enforce the same against the Operator and/or each Non-Operating Party, as the case may be, for, an amount exceeding) the actual obligations and indebtedness owed to Spar LLC, including all interest charges, costs, attorneys' fees, and other charges provided for in the Operating Agreement or in this Declaration, outstanding and unpaid and that are attributable to or charged against the interest of the Operator and/or each Non-Operating Party, as the case may be, pursuant to the Operating Agreement.

Notwithstanding the foregoing, it is expressly understood and agreed that the above grants and collateral assignments of a mortgage, hypothecation and pledge by each of Operator and Callon to Spar LLC do not cover and include, or attach to or encumber, and there is expressly excluded therefrom, all right, title and interest of each of Operator and Callon in and to (i) any and all distributions made or to be made to Operator and/or Callon pursuant to that certain Limited Liability Company Agreement of Medusa Spar LLC dated effective as of December 18, 2003 by and among Operator, Callon and Oceaneering International, Inc., (the "LLC Agreement") and (ii) the membership interests of each of Operator and Callon in and to Spar LLC.

5.4 *Security Interest Grant to Spar LLC.* To secure the complete and timely performance of and payment by the Operator and each Non-Operating Party of all obligations and indebtedness of every kind and nature to Spar LLC, whether now owed or hereafter arising, pursuant to the Operating Agreement, the Operator and each Non-Operating Party, as debtor, hereby grants to Spar LLC, as secured party, a continuing security interest in and to all of its rights, titles, interests, claims, general intangibles, proceeds, and products thereof, whether now existing or hereafter acquired, in and to (a) all oil and gas produced from the lands or offshore blocks covered by the Leases or attributable to the Leases when produced, (b) all accounts receivable accruing or arising as a result of the sale of such oil and gas (including, without limitation, accounts arising from gas imbalances or from the sale of oil and gas at the wellhead), (c) all cash or other proceeds from the sale of such oil and gas once produced, and (d) all Production Systems (including, without limitation, the Medusa Spar), Facilities, wells, fixtures, other corporeal property whether movable or immovable, whether now or hereafter placed on the lands or offshore blocks covered by the Leases or maintained or used in connection with the ownership, use or exploitation of the Leases, and other surface and sub-surface equipment of any kind or character located on or attributable to the Leases and all accounts receivable accruing or arising as a result of, and all cash or other proceeds realized from, the sale, transfer, disposition or conversion thereof. The interest of the Operator and each Non-Operating Party in and to the oil and gas produced from or attributable to the Leases when extracted and the accounts receivable accruing or arising as the result of the sale thereof shall be financed at the wellhead of the well or wells located on the Leases. To the extent susceptible under applicable law, the security interest granted by the Operator and of each Non-Operating Party to Spar LLC covers: (A) all substitutions, replacements, and accessions to the property of the Operator and of each Non-Operating Party, as the case may be, described herein and is intended to cover all of the rights, titles and interests of the Operator in all movable property now or hereafter located upon or used in connection with the Leases, whether corporeal or incorporeal,

(i) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from any present or future operating, farmout, bidding, pooling, unitization, and communitization agreements, assignments, and subleases, whether or not described in any exhibit or attachment to this Declaration, to the extent, and only to the extent, that such agreements, assignments, and subleases cover or include any of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in and to all or any portion of the Leases, and all units created by any such pooling, unitization, and communitization agreements and all units formed under orders, regulations, rules, or other official acts of any governmental authority having jurisdiction, to the extent and only to the extent that such units cover or include all or any portion of the Leases;

(ii) all of its rights, titles, and interests, whether now owned and existing or hereafter acquired or arising, in, to, and under or derived from all presently existing and future advance payment agreements, and oil, casinghead gas, and gas sales, exchange, and processing contracts and agreements, including, without limitation, those contracts and agreements that are described herein, if any, to the extent, and only to the extent, those contracts and agreements cover or include all or any portion of the Leases and/or the Prospect Area; and

Notwithstanding the foregoing, it is expressly understood and agreed that the above grants of a continuing security interest by each of Operator and Callon to Spar LLC do not attach to or encumber, and there is expressly excluded therefrom, all right, title and interest of each of Operator and Callon in and to (i) any and all distributions made or to be made to Operator and/or Callon pursuant to the LLC Agreement and (ii) the membership interests of each of Operator and Callon in and to Spar LLC.

5.5 ***Exclusion and Partial Release.*** Reference is made for all purposes to that certain Declaration of Operating Agreement, Mortgage, Security Agreement and Financing Statement (Medusa Prospect) dated effective August 29, 2003, and recorded as set forth on Attachment 2 hereto (the "Prior Declaration"). Operator and each Non-Operating Party acknowledges and agrees that the grant and collateral assignment of a mortgage, hypothecation and pledge, and the grant of continuing security interest, made by each of Operator and Callon in such Prior Declaration were not intended to cover and include or to attach to or encumber, and do not cover and include or attach to or encumber, and there is expressly excluded therefrom, and, in furtherance thereof and out of an abundance of caution, Operator and each Non-Operator do hereby release therefrom, all right, title and interest of each of Operator and Callon in and to (i) any and all distributions made or to be made to Operator and/or Callon pursuant to the LLC Agreement and (ii) the membership interests of each of Operator and Callon in and to Spar LLC.

6.0 The Parties authorize the Operator, or any Non-Operating Party or Spar LLC if Operator fails to act, to file this Declaration in the public records set forth below to serve as notice of the existence of the Operating Agreement as a burden on the title of the Operator and the Non-Operating Parties and Spar LLC to their interests in the Prospect Area, including without limitation their interests in the Leases, wells, equipment, Production Systems (including, without limitation, the Medusa Spar), Facilities, Hydrocarbon production and other property within the Prospect Area, and any and all other property covered hereby and for purposes of satisfying otherwise relevant recording and filing requirements of applicable law, and to attach an original or copy of this Declaration to a standard UCC-1 form for filing in the UCC records set forth below to perfect the security interests created by the Parties in this Declaration. mortgage, pledge, and security interest established in its favor herein and in the Operating Agreement in the manner provided by law and to exercise all rights of a secured party under the Uniform Commercial Code and (ii) the additional right to notify the purchaser or purchasers of defaulting Party's production and collect such indebtedness out of the proceeds from the sale of such defaulting Party's share of production until the amount owed has been paid. The Operator shall have the right to offset the amount owed against the proceeds from the sale of such defaulting Party's share of production. Any purchaser of such production shall be entitled to rely on the Operator's statement concerning the amount of indebtedness owed by such Non-Operating Party and/or Spar LLC (if applicable) and payment made to the Operator by any purchaser shall be binding and conclusive as between such purchaser and such Non-Operating Party and/or Spar LLC.

In addition, at any time prior to the filing of such release and termination instrument, each of the Operator, the Non-Operating Parties and Spar LLC shall have the right to (i) file a continuation statement pursuant to the Uniform Commercial Code with respect to any financing statement filed in their favor under the terms of this Declaration and (ii) reinscribe this act in the appropriate mortgage records.
