Dear Mr. Cheramie:

Your letter dated May 2, 2023, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No. SUR0033769, in the amount of \$401,000, was received by our office on that same date. This bond, conditioned to cover Right-of-Way OCS-G 3350, was executed on July 6, 2016, with Kinetica Partners, LLC as principal and Argonaut Insurance Company as surety.

The Bureau of Safety and Environmental Enforcement has assessed the decommissioning liability for OCS-G 3350 to be \$0. Therefore, the Bureau of Ocean Energy Management has no objection to cancellation of Bond No. SUR0033769, which is considered cancelled without residual liability effective May 19, 2023, the date of final concurrence with the cancellation.

Should you need further assistance, please contact Kathleen Lee at (504) 736-5774 or boemgomrfinancialassurance@boem.gov.
