Attn: Ashley Koletar

Dear Ms. Koletar:

Your letter dated March 4, 2024, submitting replacement Outer Continental Shelf (OCS) Pipeline Right-of-Way Grant Bond No. SURU2210003789, in the amount of \$300,000, was received by our office on that same date. This bond, conditioned to cover the principal's pipeline operations in the Gulf of Mexico, was executed on February 27, 2024, with Talos Energy Ventures, LLC as principal and Ascot Surety & Casualty Company as surety.

This bond replaces Outer Continental Shelf (OCS) Pipeline Right-of-Way Grant Bond No. SBP150014_029, in the amount of \$300,000. This bond, conditioned to cover principal's pipeline operations in the Gulf of Mexico, was executed on February 6, 2023, with EnVen Energy Ventures, LLC as principal, and Pennsylvania Insurance Company as surety.

Attached to and forming a part of Bond No. SBP150014_029, is Name Change Bond Rider, executed on February 13, 2023, which changes the name of the principal from EnVen Energy Ventures, LLC to Talos Energy Ventures, LLC. The rider is effective February 13, 2023.

The replacement bond, Bond No. SURU2210003789, conforms to the requirements of the leasing and operating regulations for submerged lands of the Outer Continental Shelf and is considered to be effective February 27, 2024, the date it was executed. The period of liability of Outer Continental Shelf (OCS) Pipeline Right-of-Way Grant Bond No. SBP150014_029 is considered to have terminated and the bond is considered cancelled without residual liability on the same date.

Should you need further assistance, please contact Kathleen Lee at (504) 736-5774 or boemgomrfinancialassurance@boem.gov.

Definitions

For the purposes
of this document:

An **Obligation** includes any obligation arising from any regulations of the Department of the Interior or any Instrument issued, maintained, or approved under the OCS Lands Act, 43 USC 1331 *et seq.*

An **Instrument** includes any pipeline ROW grant, whereunder the Principal has the right, privilege, or license to conduct pipeline operations on the OCS.

A **Person** includes an individual, a public or private corporation, a State, a political subdivision of a State, any association of individuals, corporations, States, or subdivisions of States, or a government agency.

By signing below, the Principal verifies that the information above is correct and agrees to the following:

The Principal as agent on behalf of the pipeline ROW grant holder will fulfill all Obligations for the entire pipeline ROW grant and to the same extent as though the Principal were the sole pipeline ROW grant holder for all pipeline ROW grants in Schedule A within an area designated in Schedule A.

By signing below, the Surety verifies that the information above is correct and agrees to the following:

1. The Surety does hereby absolutely and unconditionally bind itself to the United States of America acting through and by the Bureau of Ocean Energy Management (BOEM), or such other official designated by the Secretary of the Interior for this purpose, for the performance of all present and future Obligations.
2. The Surety agrees to meet all existing and future Obligations of the Principal on the pipeline ROW grant(s) described in Schedule A or acquired within that area after the effective date of this document at a cost not to exceed \$ 300,000.00 unless this sum has been increased or decreased by a rider to this bond or additional security* executed in the same manner as this bond or additional security*.
3. The Surety will be responsible for all Obligations of the Principal in existence at the time this document becomes effective and all Obligations that accrue after that date and until all Obligations are met or until the Regional Director terminates the period of liability of this bond or additional security*.

OUTER CONTINENTAL SHELF (OCS) PIPELINE RIGHT-OF-WAY GRANT BOND (Continued)

4. If the Regional Director terminates the period of liability of this bond or additional security*, the Surety will remain responsible for Obligations that accrued during the period of liability until the Regional Director issues a written cancellation of the bond or additional security* in favor of the Surety.
5. If this bond or additional security* is cancelled, the Regional Director may reinstate this bond or additional security* as if no cancellation had occurred if any payment of any obligations of the Principal(s) is rescinded or must be restored pursuant to any insolvency, bankruptcy, reorganization, or receivership, or should the representation of the Principal that it has paid its financial Obligations or performed the other Obligations of the pipeline ROW grant(s) in accordance with BOEM specifications be materially false and the BOEM relied upon such representation in canceling the instrument.
6. The Surety waives any right of notice of this bond or other security* taking effect and agrees that this bond or additional security* will take effect upon delivery to BOEM.
7. The Surety's Obligations will remain in full force and effect, even if:
 - (a) Any person assigns the Instrument covered by this document.
 - (b) Any person modifies an Instrument or Obligation under an Instrument in any manner including modifications that result from a modification of regulations or interpretations of regulations; or creation of any mortgage, pledge, or other grant of security interest in the Instruments.
 - (c) Any person, event, or condition terminates any Instrument covered by this bond or additional security*, whether the termination is by operation of law or otherwise.
 - (d) The BOEM takes or fails to take any action in enforcing, as against any party to the Instrument, the performance of any other covenant, condition or agreement of the pipeline ROW grant, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
8. The Surety agrees to be bound under this bond or additional security* as to the interests in any Instrument retained by the Principal when the BOEM approves the transfer of any or all of the Instruments.
9. In the event of any default under a pipeline ROW grant, the Surety must perform the Obligations of the Principal upon demand by the BOEM.
10. If the BOEM decides to commence suit to enforce its rights, it may commence and prosecute any claim, suit, action, or other proceeding against the Principal and Surety, or either of them, whether or not the BOEM joins the pipeline ROW grant holder or any other party.
11. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond or additional security* is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
12. The Surety agrees to give prompt notice to the BOEM and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
13. The Surety's Obligation and liabilities under this Bond or additional security* are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of the BOEM.
14. The Surety hereby waives any defenses to liability on this bond or additional security* based on an unauthorized Principal signature.
