Dear Mr. McFarland:

Your letter dated October 8, 2019, requesting cancellation of Outer Continental Shelf (OCS) Right-of-Way Grant Bond No. 76S 63050989, in the amount of \$300,000, was received by our office on October 9, 2019. This bond, conditioned to cover principal's pipeline operations in the Gulf of Mexico, was executed on June 2, 2005, with Dominion Oklahoma Texas Exploration & Production, Inc. as principal and Travelers Casualty and Surety Company of America as surety.

We are unable to grant your request at this time. The Bureau of Safety and Environmental Enforcement Pipelines Section has objected to this request for cancellation.

If you require further assistance, please contact Jason Caraher or Cissy Marshall with The Bureau of Safety and Environmental Enforcement Pipelines Section at pipelines@bsee.gov.

Sincerely,

Susan Vaughan, Section Chief

RE: **Request to Terminate Period of Liability and Cancel
OCS Right-of-Way Grant Bond No. 76S 63050989**

Ladies and Gentleman:

Travelers Casualty and Surety Company of America as surety hereby request that the Bureau of Ocean Energy Management (BOEM) terminate the period of liability and cancel the following bond:

OCS Right-of-Way Grant Bond No. 76S 63050989 – This bond is effective June 13, 2005 in the principal amount of \$300,000 with Dominion Oklahoma Texas Exploration & Production, Inc. as principal and Travelers Casualty and Surety Company of America as surety.

Dominion Oklahoma Texas Exploration & Production, Inc.'s right-of-way was relinquished and decommissioned on July 25, 2005 and is no longer active in the Gulf of Mexico.

Please contact the undersigned or Mr. Raymond Oalman (281-755-5062) with Dominion should there be any questions relative to this transmittal.

Sincerely,

Carl McFarland
