ATTN: Gustavo Tardin Barbosa

Dear Mr. Barbosa:

Your letter dated August 11, 2020, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No. B010112, in the amount of \$947,500, was received by our office on August 13, 2020. This bond, conditioned to cover Right-of-Way OCS-G 28204, was executed on August 2, 2016, with Petrobras America Inc. as principal and U.S. Specialty Insurance Company as surety.

Attached to and forming a part of Bond No. B010112, is Bond Rider No. 1, executed on November 21, 2016, which increases the bond amount by \$797,684 for a total penal sum of \$1,745,184. The rider is effective November 21, 2016.

Bond No. SU14247 in the amount of \$1,745,185 has been accepted and covers the decommissioning liability for OCS-G 28204. Therefore, the Bureau of Ocean Energy Management has no objection to cancellation of Bond No. B010112, which is considered cancelled without residual liability effective August 20, 2020, the date of final concurrence with the cancellation.

Should you need further assistance, please contact Kathleen Lee at (504) 736-5774 or boemgomrfinancialassurance@boem.gov.

Sincerely,
**BERNADETTE
