Dear Mr. Ciupak:

Your letter dated November 13, 2020, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No. SUR0030292, in the amount of \$425,000, was received by our office on November 20, 2020. This bond, conditioned to cover Right-of-Way OCS-G 5262, was executed on May 4, 2015, with High Point Gas Gathering, L.L.C. as principal and Argonaut Insurance Company as surety.

The Bureau of Safety and Environmental Enforcement has assessed the decommissioning liability for OCS-G 5262 to be \$0. Therefore, the Bureau of Ocean Energy Management has no objection to cancellation of Bond No. SUR0030292, which is considered cancelled without residual liability effective December 1, 2020, the date of final concurrence with the cancellation.

Should you need further assistance, please contact Kathleen Lee at (504) 736-5774 or [boemgomrfinancialassurance@boem.gov](mailto:boemgomrfinancialassurance@boem.gov).
