Dear Mr. Ciupak:

Your letter dated November 19, 2020, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No. B012198, in the amount of \$695,000, was received by our office on November 19, 2020. This bond, conditioned to cover Right-of-Way OCS-G 7588, and has Chandeleur Pipe Line, LLC as principal and U. S. Specialty Insurance Company as surety.

We are unable to grant your request at this time due to an objection from the Office of Natural Resources Revenue. Also, the bond amount on the letter of request is incorrect.

Should you need further assistance, please contact Mary Mitchell at mary.mitchell@onrr.gov.

Sincerely,
