Dear Ms. Moustafa:

Your letter dated January 6, 2021, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Supplemental Bond No. B012201, in the amount of \$695,000, was received by our office on that same date. This bond, conditioned to cover Right-of-Way OCS-G 14265, was executed on August 22, 2019, with Chandeleur Pipe Line, LLC as principal and U. S. Specialty Insurance Company as surety.

Therefore, the Bureau of Ocean Energy Management has no objection to cancellation of Bond No. B012201, which is considered cancelled without residual liability effective January 20, 2021, the date of final concurrence with the cancellation.
