Dear Ms. Coblenz:

Your letter dated June 30, 2021, requesting cancellation of Outer Continental Shelf (OCS) Pipeline Right-of-Way Grant Bond No. 022052263, in the amount of \$1,210,000, was received by our office on that same date. This bond, conditioned to cover Right-of-Way OCS-G 29231, was executed on August 11, 2015, with Discovery Producer Services LLC as principal and Liberty Mutual Insurance Company as surety.

The Bureau of Safety and Environmental Enforcement has assessed the decommissioning liability for OCS-G 29231 to be \$0. Therefore, the Bureau of Ocean Energy Management has no objection to cancellation of Bond No. 022052263, which is considered cancelled without residual liability effective July 6, 2021, the date of final concurrence with the cancellation.
