Dear Mr. Jorge:

Your letter dated June 22, 2021, requesting cancellation of Outer Continental Shelf (OCS) Mineral Lessee's or Operator's Bond No. CMS0324308, in the amount of \$3,000,000, was received by our office on that same date. This bond, conditioned to cover principal's leasehold interest held now or hereafter in the Gulf of Mexico, was executed on July 23, 2019, with Throckmorton Energy, LLC as principal and RLI Insurance Company as surety.

We are unable to grant your request at this time for the following reasons.

- The Risk Management Operations Group (RMOG) has objected to termination of the period of liability and cancellation.
- Pursuant to 30 CFR 556.906 (d)(1) your bond may be cancelled seven years after the termination of the lease, six years after completion of all bonded obligations, or at the conclusion of any appeals or litigation related to your bonded obligation, whichever is the latest. This criteria has not been met.

If you require further assistance, please contact RMOG at boermog@boem.gov or Kathleen Lee at boemgomfinancialassurance@boem.gov.

Sincerely,

**SUSAN
