August 6, 2019

Mr. Paul Rodriguez  
Walter Oil & Gas Corporation  
1100 Louisiana St.  
Suite 200  
Houston, Texas 77002

Dear Mr. Rodriguez,

Reference is made to the following plan:

Control No.	S-07935
Type	Supplemental Development Operations Coordination Document
Received	January 28, 2019, amended March 12 and June 7, 2019
Lease(s)	OCS-G 24990, Block 320, South Timbalier Area (ST) OCS-G 31418, Block 311, South Timbalier Area (ST)

You are hereby notified that the approval of the subject plan has been granted as of August 6, 2019, in accordance with 30 CFR 550.270(b)(1).

This approval includes the activities proposed for Wells A005, A005 ALT, and A006 ALT in ST Block 311, Well A006 in ST Block 320, and for the revision of air emissions for Platform A (Complex ID 2574) in ST Block 311.

In accordance with 30 CFR 556.901(d), additional security may be required for your proposed activities. Prior to conducting activities in which you need to obtain approvals and/or permits described in 30 CFR 550.281(a) from the appropriate District Manager or BSEE Regional Supervisor, you must contact BOEM Risk Management Operations Group by email at [boemrmog@boem.gov](mailto:boemrmog@boem.gov) to determine if additional security is required and comply with any demand for this security.

Our review indicates that there is a pipeline in the vicinity of Platform A (Complex ID 2574) that may pose a hazard to your proposed operations. Therefore, take precautions in accordance with Notice to Lessees and Operators No. 2008-G05, Section VI.B, prior to performing operations.

In response to the request accompanying your plan for a hydrogen sulfide (H<sub>2</sub>S) classification, the area in which the proposed drilling operations are to be conducted is hereby classified, in accordance with 30 CFR 250.490(c), as "H<sub>2</sub>S absent."

You must comply with the following species protective measures in all activities conducted pursuant to the plan:

- BOEM Notice to Lessees and Operators (NTL) No. 2016-G01, "Vessel Strike Avoidance and Injured/Dead Protected Species Reporting" (available at <http://www.boem.gov/BOEM-NTL-No-2016-G01/>);

- BOEM NTL No. 2016-G02, "Implementation of Seismic Survey Mitigation Measures and Protected Species Observer Program" (available at <http://www.boem.gov/BOEM-NTL-2016-G02/>); and
- BSEE NTL No. 2015-G03, "Marine Trash and Debris Awareness and Elimination" (available at <https://www.bsee.gov/sites/bsee.gov/files/notices-to-lessees-ntl/alerts/ntl-2015-g03.pdf>).

These measures are designed to promote environmental protection, consistent environmental policy, compliance with environmental laws, and safety.

If you have any questions or comments concerning this approval, please contact Ronald O'Connor at (504)736-2889.

Sincerely,

**MICHELLE  
PICOU**
