## NOTICE

Fishermen's Energy, LLC : Lease Number: OCS-A 0473  
985 Ocean Drive : Expiration Date: November 1, 2014  
Cape May, New Jersey 08204 :

### Interim Policy Lease Expired Decommissioning Requirements

Interim Policy lease OCS-A 0473 expired on November 1, 2014, at 12:00 a.m. In accordance with the terms of the lease, all decommissioning activities must be completed within 1 year of the lease expiration date. This includes the removal of all devices, works, structures, and trash or bottom debris introduced as a result of operations from the leased area and restoration of the lease area to its original condition.

Within 90 days following removal of property and restoration of the leased area, a written report summarizing the lessee's facility removal and site restoration activities must be submitted to the Bureau of Ocean Energy Management. The report must include objective evidence (e.g., high-resolution side-scan or sector scanning sonar, or a photographic bottom survey) that the area used for data collecting facilities and structures has been returned to its original state pursuant to the lease.

For further information regarding this notice, please contact the Adjudication Unit of the Bureau of Ocean Energy Management's Office of Renewable Energy Programs at (703) 787-1300 or [renewableenergy@boem.gov](mailto:renewableenergy@boem.gov).
