The Office of Natural Resources Revenue has no objection to the termination of the period of liability under the above bond. Therefore, the period of liability is considered to have ended on August 30 2022, the date of final concurrence with such termination, and the bond is cancelled without residual liability as of that same date.

If you need further assistance, please contact Ms. Gina Best at gina.best@boem.gov or (703) 787-1341.
