Mr. Ben Marchive  
M21K, LLC  
1021 Main, Suite 2626  
Houston, Texas 77002

Dear Mr. Marchive:

This letter is in reference to M21K, LLC's (M21K) Right-of-way (ROW) No. OCS-G28550, Pipeline Segment Numbers (PSN's) 17769 and 17770, regarding the status of the ROW grant.

Per cessation of operations approval letter dated August 9, 2017, the above-mentioned pipelines must be returned to service by October 31, 2017, or the ROW would be deemed expired. Therefore, pursuant to CFR 250.1014, ROW OCS-G 28550 expired October 31, 2017.

In accordance with 30 CFR 250.1010(h), M21K must remove the associated pipelines, valves, and taps within one year of ROW grant relinquishment or forfeiture (i.e. expiration). An application must be submitted to this office to decommission PSN(s) 17769 and 17770 within 30 days from the date of this letter in accordance with 30 CFR 250.1750 thru 250.1754.

M21K is further advised that an application may be submitted to reestablish the ROW grant in accordance with 30 CFR 250.1007. If it is the intention of M21K to request a new ROW grant, the necessary application must be submitted within 30 days from the date of this letter.

Sincerely,

(for) Bryan A. Domangue  
Acting Regional Supervisor  
Regional Field Operations
