Dear Ms. Guidry:

By letter dated June 27, 2018, Fieldwood Energy LLC (Fieldwood) requests a Suspension of Production (SOP) for Lease OCS 0820, Ship Shoal Block 169. This lease was held by prior production, pursuant to 30 CFR 250.180, through June 28, 2018.

Production ceased from Lease OCS 0820 on June 28, 2017, when the pipeline operator shut in gas and condensate production to maintain integrity of the pipeline. Fieldwood plans to restore production to Lease OCS 0820 by rerouting its produced gas to a different pipeline system.

An SOP for Lease OCS 0820 is hereby approved, pursuant to 30 CFR 250.174(b), from June 29 through October 31, 2018. Fieldwood, or any subsequent operator, is expected to follow the enclosed activity schedule and must notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Mr. Patrick Roberts at (504) 736-2476 or Patrick.Roberts@bsee.gov.

Sincerely,

(Orig. Sgd.) **Troy J. Guidry**
