Dear Ms. Guidry:

By letter dated January 19, 2018, amended March 15 and June 26, 2018, Fieldwood Energy LLC (Fieldwood) requests a Suspension of Production (SOP) for Lease OCS-G 15288, Ship Shoal Block 194. This lease was held by prior production, pursuant to 30 CFR 250.180, through January 25, 2018.

Production ceased from Lease OCS-G 15288 on January 25, 2017, when the pipeline operator shut in gas and condensate production to maintain pipeline integrity. Fieldwood plans to restore production to Lease OCS-G 15288 by rerouting its produced gas to a different pipeline system.

An SOP for Lease OCS-G 15288 is hereby approved, pursuant to 30 CFR 250.174(b), from January 26 through October 31, 2018. Fieldwood, or any subsequent operator, is expected to follow the enclosed activity schedule and must notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Mr. Patrick Roberts at (504) 736-2476 or Patrick.Roberts@bsee.gov.

Sincerely,

**(Orig. Sgd.) Troy J. Guidry**
