Dear Ms. Fowler:

By letter dated April 27, 2018, Anadarko Petroleum Corporation (Anadarko) requests approval of a Suspension of Production (SOP) and a revised activity schedule for the Green Canyon (GC) Block 627 Unit, Agreement No. 754314007. The unit consists of Leases OCS-G 25174 and 33254, and portions of Leases OCS-G 25170, 25175, and 33255, and was held by operations through June 6, 2018.

Anadarko concluded completion operations June 6, 2017, on Lease OCS-G 25174, GC Block 627, Well SS003. Anadarko requests an SOP to allow for installation of the subsea production infrastructure in order to commence unit production.

In accordance with Articles IX, XVI, and XVII of the Unit Agreement and 30 CFR 250.174(a), an SOP and a revised activity schedule for the GC Block 627 Unit are hereby approved from June 7, 2018, through February 28, 2019. The lease term for Leases OCS-G 25170, 25174, and 25175 ended June 6, 2018, and will be included in the unit SOP from June 7, 2018, through February 28, 2019. This unit suspension excludes Leases OCS-G 33254 and 33255 since their primary terms extend beyond the expiration of the SOP. Anadarko is expected to follow the enclosed SOP activity schedule and must notify this office in writing (progress report) by the end of each month in which a deadline is scheduled. If you have any questions, contact Mr. Imran Vahora at (504) 736-2664 or imran.vahora@bsee.gov.
