Dear Mr. Martin:

By letter dated April 30, 2019, and emails dated May 22 through June 4, 2019, Bois d' Arc Exploration LLC (Bois d' Arc) requests a Suspension of Production (SOP) for Lease OCS-G 33644, Ship Shoal (SS) Block 170. This lease was held by prior production, pursuant to 30 CFR 250.180, through June 4, 2019.

Production from Lease OCS-G 33644 ceased on June 4, 2018, when the downstream pipeline operator shut in the sales pipeline for integrity issues. The SS 182 C platform operator is in the process of rerouting the export pipeline to a different pipeline system. Bois d' Arc plans to restore production from Lease OCS-G 33644 when the pipeline reroute operations are complete.

An SOP for Lease OCS-G 33644 is hereby approved, pursuant to 30 CFR 250.174(a), from June 5 through July 31, 2019. Bois d' Arc, or any subsequent operator, is expected to notify this office when production is restored to the lease. If you have any questions regarding this matter, contact Ms. Rebecca Rich at (504) 736-7614 or Rebecca.Rich@bsee.gov.

Sincerely,

Richie D. Baud
