Dear Ms. Medrano:

By letter dated May 30, 2019, Fieldwood Energy LLC (Fieldwood) requests a Suspension of Production (SOP) for Lease OCS-G 13917, Ship Shoal (SS) Block 193. An SOP held this lease through May 31, 2019.

Production ceased from Lease OCS-G 13917 on September 18, 2017, when the pipeline operator shut in gas and condensate production to maintain pipeline integrity. Fieldwood plans to restore production to Lease OCS-G 13917 by rerouting its produced gas to a different pipeline system. Fieldwood plans to restore production to Lease OCS-G 13917 before the end of July 2019.

An SOP for Lease OCS-G 13917 is hereby approved, pursuant to 30 CFR 250.174(b), from June 1 through July 31, 2019. Fieldwood, or any subsequent operator, is expected to notify this office when production is restored to the lease. If you have any questions regarding this matter, contact Mr. Patrick Roberts at (504) 736-2476 or Patrick.Roberts@bsee.gov.

Sincerely,

(Org. Signed) Richie D. Baud
