Post Office Box 16867  
Fernandina Beach, Florida 32035

Dear Mr. Salas:

By letter dated July 25, 2019, Hoactzin Partners, L.P. (Hoactzin) requests a Suspension of Production (SOP) for Lease OCS-G 11984, Ship Shoal Block 159. This lease was held by a prior SOP through July 31, 2019.

Production from Lease OCS-G 11984 ceased on October 31, 2016, when the pipeline operator issued an electronic bulletin board critical notice suspending all flow to the Southeast Louisiana Offshore Lateral System. In October 2017, a pipeline operator notified Hoactzin that it would not be re-activating a pipeline critical to the resumption of production from Hoactzin's Lease OCS-G 11984. Hoactzin has fully executed a contract with another pipeline operator to tie-in and use their sales pipeline. Following permit approvals and completion of the sales pipeline tie-in, production is expected to resume from Lease OCS-G 11984.

An SOP for Lease OCS-G 11984 is hereby approved, pursuant to 30 CFR 250.174(b), from August 1 through October 31, 2019. Hoactzin, or any subsequent operator, is expected to follow the enclosed activity schedule and must notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Mr. Daniel Dauterive at (504) 736-2906 or [Daniel.Dauterive@bsee.gov](mailto:Daniel.Dauterive@bsee.gov).

Sincerely,

(Org. Signed) Richie D. Baud
