Dear Mr. Salas:

By letter dated July 25, 2019, Hoactzin Partners, L.P. (Hoactzin) requests a Suspension of Production (SOP) for Lease OCS-G 34831, Ship Shoal (SS) Block 145. This lease was held by a prior SOP through July 31, 2019.

Hoactzin acquired Lease OCS-G 34831 in September 2013 with the existing SS Block 145 E platform, lease pipeline Segment No. 14554, and two shut-in wellbores. In October 2017, Hoactzin received notice that pipeline Segment No. 15529 would not be re-activated. This segment was critical to the transportation and sale of production from Lease OCS-G 34831. Hoactzin has fully executed a contract with another pipeline operator to tie-in and use their sales pipeline. Following permit approvals and completion of the sales pipeline tie-in, production is expected to resume from Lease OCS-G 34831.

An SOP for Lease OCS-G 34831 is hereby approved, pursuant to 30 CFR 250.174(b), from August 1 through October 31, 2019. Hoactzin, or any subsequent operator, is expected to follow the enclosed activity schedule and must notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Mr. Daniel Dauterive at (504) 736-2906 or Daniel.Dauterive@bsee.gov.

Sincerely,

(Orig. Signed) Richie D. Baud
