Dear Mr. Martin:

By letter dated July 22, 2019, Bois d' Arc Exploration LLC (Bois d' Arc) requests a Suspension of Production (SOP) for Lease OCS-G 33644, Ship Shoal (SS) Block 170. An approved SOP held this lease through July 31, 2019.

Production from Lease OCS-G 33644 ceased on June 4, 2018, when the downstream pipeline operator shut in the sales pipeline for integrity issues. The SS Block 182 C platform operator has completed rerouting the export pipeline to a different pipeline system. Bois d' Arc plans to restore production from Lease OCS-G 33644 when the SS Block 182 C platform operator completes platform repairs, which were delayed due to Hurricane Barry.

An SOP for Lease OCS-G 33644 is hereby approved, pursuant to 30 CFR 250.174(a), from August 1 through August 31, 2019. Bois d' Arc, or any subsequent operator, is expected to notify this office when production is restored to the lease. If you have any questions regarding this matter, contact Ms. Rebecca Rich at (504) 736-7614 or Rebecca.Rich@bsee.gov.

Sincerely,

(Orig. Sgd.) Troy J. Guidry
