Mr. Rodney Dykes
Cox Operating, L.L.C.
1615 Poydras Street, Suite 830
New Orleans, Louisiana 70112

Dear Mr. Dykes:

By letter dated June 3, 2019, and revisions received July 8 – 31, 2019, Cox Operating, L.L.C. (Cox) requests a Suspension of Production (SOP) for Lease OCS-G 1210, South Marsh Island Block 78. This lease was held by prior production, pursuant to 30 CFR 250.180, through June 24, 2019.

Production ceased from Lease OCS-G 1210 on June 24, 2018. After facility repairs are completed, Cox plans to flow test Wells B001, B003, and D003. If the flow test rate in Well D003 is not economic, Cox plans to recompleat Well D003 to an uphole reservoir to reestablish production from Lease OCS-G 1210. Authorization for Expenditures have been approved to complete platform repairs and for the workover of Well D003.

An SOP for Lease OCS-G 1210 is hereby approved, pursuant to 30 CFR 250.174(a), from June 25 through October 31, 2019. Cox, or any subsequent operator, is expected to follow the enclosed activity schedule and must notify this office in writing (progress report) by the end of each month that a deadline is scheduled. If you have any questions regarding this matter, contact Ms. Lauren Woitha at (504) 736-2855 or Lauren.Woitha@bsee.gov.

Sincerely,

(Org. Signed) Richie D. Baud
