Dear Ms. Medrano:

By letter dated September 30, 2019, Fieldwood Energy LLC (Fieldwood) requests a Suspension of Production (SOP) for Lease OCS-G 15288, Ship Shoal Block 194. An SOP held this lease through September 30, 2019.

Production ceased from Lease OCS-G 15288 on January 25, 2017, when the pipeline operator shut in gas and condensate production to maintain pipeline integrity. Fieldwood plans to restore production from Lease OCS-G 15288 by rerouting its produced gas to a different pipeline system. Fieldwood requires additional time to complete hydrostatic testing of the pipelines and restore production.

An SOP for Lease OCS-G 15288 is hereby approved, pursuant to 30 CFR 250.174(b), from October 1 through October 31, 2019. Fieldwood, or any subsequent operator, is expected to notify this office in writing when production resumes from this lease. If you have any questions regarding this matter, contact Mr. Patrick Roberts at (504) 736-2476 or Patrick.Roberts@bsee.gov.

Sincerely,

(Orig. Signed) Richie D. Baud
