Dear Ms. Medrano:

By letter dated August 31, 2020, Fieldwood Energy LLC (Fieldwood) requests a Suspension of Production (SOP) for Lease OCS-G 24956 (the Lease), South Timbalier Block 49. The Lease was held by an SOP through August 31, 2020.

The installation of the new pipeline, completion of the subsea tie-in operations, and hydro-testing were delayed because of weather and contractor vessel availability. Once these operations are completed, Fieldwood plans to resume production from the Lease by the end of October 2020.

An SOP for Lease OCS-G 24956 is hereby approved, pursuant to 30 CFR 250.174(b), from September 1 through October 31, 2020. Fieldwood, or any subsequent operator, must notify this office in writing when production resumes from this lease. If you have any questions regarding this matter, contact Mr. Jesse King at (504) 736-2670 or jesse.king@bsee.gov.

Sincerely,
