Dear Ms. Coronado:

By letter dated April 1, 2025, and additional information submitted through May 19, 2025, W & T Offshore, Inc. (W&T) requests a Suspension of Production (SOP) for Lease OCS-G 1022 (the Lease), Ship Shoal (SS) Block 218. The Lease was held by prior production through May 10, 2025.

Production from the Lease ceased on May 10, 2024, due to downstream transportation pipeline repairs. W&T proposes to restore production from the Lease by re-routing Lease gas production to a different pipeline. W&T is committed to restore production from the Lease by the end of June 2025.

An SOP for Lease OCS-G 1022 is hereby approved, pursuant to 30 CFR 250.174 (a) from May 11 through June 30, 2025. W&T, or any subsequent operator, must notify this office in writing upon the commencement of production. If you have any questions regarding this matter, contact Mr. Wayne Everson at (504) 736-2606 or Wayne.Everson@bsee.gov.

Sincerely,
