Dear Mr. Altobelli:

In accordance with Article 13.1 of the Mississippi Canyon (MC) Block 387 Unit Agreement, No. 754311003, any lease(s) not entitled to receive an allocation of unit production on the third anniversary of the effective date of the initial participating area shall be eliminated automatically from the unit area as of said third anniversary, and thereafter, the unit area shall only be comprised of the participating area(s). The unit consisted of Leases OCS-G 22873 and 22877.

Accordingly, effective August 12, 2018, the unit area automatically contracted to the participating area. Since the contraction resulted in the leasehold interest of only one lease remaining in the unit, the unit automatically terminated concurrently with the contraction in accordance with the terms of the Unit Agreement and 30 CFR 250.1301. If you have any questions, contact Mr. Imran Vahora at (504) 736-2664 or [imran.vahora@bsee.gov](mailto:imran.vahora@bsee.gov).

Sincerely,

(Orig. Sgd.) **Richie D. Baud**
