Dear Mr. Parker:

In accordance with Article 13.1 of the Walker Ridge Block 759 Unit Agreement, No. 754306007, any lease(s) not entitled to receive an allocation of unit production on the fifth anniversary of the effective date of the initial participating area shall be eliminated automatically from the unit area as of said fifth anniversary, and thereafter, the unit area shall only be comprised of the participating area(s). The unit consisted of Leases OCS-G 17009, 17010, 17015, 17016, 20394, and 20395.

Accordingly, effective December 5, 2019, the unit area automatically contracted to the participating area. Since the contraction resulted in the leasehold interest of only one lease remaining in the unit, the unit automatically terminated concurrently with the contraction in accordance with the terms of the Unit Agreement and 30 CFR 250.1301. If you have any questions, contact Ms. Kimberly Ward at (504) 736-2677 or Kimberly.Ward@bsee.gov.

Sincerely,

(Orig. Sgd.) **Richie D. Baud**
