Dear Ms. Guidry:

By letter dated August 10, 2020, Fieldwood Energy LLC informed this office that there are no further plans to develop the Main Pass (MP) Block 259 Unit, Agreement No. 754390012. The unit consisted of portions of Leases OCS-G 7827, 7828, and 7898.

Unit production ceased on July 11, 2019. Since a suspension has not been ordered or approved and no production, drilling or well reworking operations have commenced for more than one year, the MP Block 259 Unit automatically terminated July 12, 2020, in accordance with Article 16 of the Unit Agreement. If you have any questions, contact Mr. Imran Vahora at (504) 736-2664 or imran.vahora@bsee.gov.

Sincerely,
