Dear Mr. Marchive:

By letter dated March 14, 2022, the Bureau of Safety and Environmental Enforcement approved a Suspension of Production for the Grand Isle (GI) Block 43, KJ Sand Reservoir FG Unit, Agreement No. 14-08-0001-11658, from March 1 through March 31, 2022. The unit consisted of portions of Leases OCS-G 1082 and 1092.

Unit production was not restored prior to March 31, 2022. Since a suspension has not been ordered or approved and no production, drilling or well reworking operations have commenced for more than one year, the GI Block 43, KJ Sand Reservoir FG Unit automatically terminated April 1, 2022, in accordance with Section 11 of the Unit Agreement. If you have any questions, contact Mr. Imran Vahora at (504) 736-2664 or [imran.vahora@bsee.gov](mailto:imran.vahora@bsee.gov).
